~~ Long Island NAPNAP Conference 2012 ~~

About the Program

This one-day conference will explore the current health issues related to pediatric obesity and Type 2 Diabetes. It will incorporate guidelines aimed at the prevention of these diseases in children and adolescents.

Conference Outcomes

Upon completion of this program the participant will be able to:

- Have an understanding of childhood Obesity.
- Explain the difference between Type I and Type II Diabetes including etiology and epidemiology.
- List three complications of Type II Diabetes.
- Discuss how the nurse practitioner impacts nutritional choices that improve patient outcomes.
- Identify ways families can achieve healthy lifestyles by making modifications to their baseline nutrition and physical activity practices.

Target Audience

All pediatric healthcare professionals specifically RN's and advance practice nurses.

Accreditation / Contact Hours

This program has been accreditation by the National
Association of Pediatric Nurse Practitioners (NAPNAP) for 6 NAPNAP CE contact hours, of which 0 are pharmacology (Rx) content. A certificate of attendance will be provided to all participants.

Parking

Free parking can be found in the visitors parking garage.

MUST bring in ticket for validation.
