Petition Facts

- Per Florida Statutes 99.095 petition figures are based on at least 1% of the total number of registered voters of that geographical area as of the book closing figures from the last general election. (Exception: City Offices = 5% per City Charter. Also the petition method only waives the 3% portion of the filing fee for City Candidates.)
- Special District Offices need only collect 25 petitions.
- Century Town Charter does not provide for petitions.
