

# YOUTH PROGRAM 2018 WISH LIST

## Calm Down Sensory Spot

Youth staff have been diligently applying newly learned skills in working children who may have behavioral challenges, be on the spectrum, or simply need quiet time to calm down. These items will allow us to build a Calm Down area to use for our students when they most need it.

You can view the wish list online at amazon -- <http://a.co/1zI9CBQ>. You may purchase items directly from amazon.com or you may choose to seek another vendor. Cash donations can be made at maryrigg.org.
