Better Together

When you decide to sponsor this year's dodgeball tournament, you are making a statement that says you believe that together, we can make life better for those living in southwest Indianapolis.

Your sponsorship will connect you to programs that:

Supports students before, during, and after school. It also supports the summer day camp program that provides a safe place that offers nutritious meals, helps prevent summer learning loss, and provides opportunities to have new experiences and make personal discoveries about themselves for up to 160 children.

Provides vocational training and educational opportunities for adults that puts them on the path to earning sustainable wages, providing insurance for their families, and realizing their self worth.

Assists families and individuals dealing with financial hardships through the food market, emergency financial referrals, and specialized services that meet people where they are in ways they need most.
