INVITE your CASA child to join you by using a game or activity to break some of the uncomfortableness of a first visit

COMMENT about their work:

1. Look at that! I can tell you put a lot of work in it.
2. Tell me about what you did.
3. Show me more
4. Wow! How did you do that?
5. That looks like it took a lot of effort!

ASK questions so children can describe and think about what they are doing or being asked:

1. What does this do?
2. Can you described it?

CONNECT their play to the real world.

1. What activity would you suggest that would assist you in getting to know a CASA child more?
2. How can the activity assist you in advocating for a child's best interest?
3. What information did you learn that could bring about an opportunity for a recommendation to DCS, the court or their current placement?
