

Junior High Summer Schedule 2019

Dear Parents,

Summer is quickly approaching which means you are going to start looking for as many opportunities to get your child out of the house as possible. We here at Crossroads are excited to help do just that. Planning the summer activities proved difficult because every organization wants to capitalize on the flexibility that summer apparently has. I know that not every event will fit your unique situation, but we tried to plan around the larger events in the Wauseon area. Below is a description of the events along with their cost, dates, and times:

June 7: Welcome and Game night
June 20-22: Wauseon Homecoming
June 29: Family Frenzy
July 14-18: VBS in the Park
July 28-Aug 2: Shake-Up
Aug 17: Back to School Splash
