

Generate More Income and Referrals in ANY Market, While Fixing the Other Side of Your Client's Balance Sheet, With Guaranteed Results.

1

This is the problem we solve for you:

If your clients were not losing so much of their cash flow to their debts, they would have more to invest and you would be able to sell more of your products and services.

2

The problem we solve for your clients:

Clients are carrying too much debt & not saving enough for retirement. They are too busy or not disciplined enough to pay off their debts & save enough for retirement in the time they have left.

3

Our Solution for your clients:

Our program does **ALL** the work for the client to pay off ALL their debts in 1/3 to 1/2 of the time it will take them, with an average savings of over \$83,300 in interest (**guaranteed**).

4

Our Solution for you:

With our program, you'll get **more referrals today** and **earn commissions** on our program too.

We'll keep your clients on track with their finances. Your clients will have **more to invest years faster**.

"Customers are more likely to recommend you to their friends & family after they realize that we offer such an amazing product & sincerely care about helping them save money!" Tim B. Sr Loan Officer

"creating not only a valued client after the mortgage process but a raving fan for referrals. ...this program WILL put the client on the best track to a brighter future." Lucas L. / Mortgage Consultant

Other Benefits for You:

You can bring on clients today who do not have money to invest yet. You'll **get paid today to turn them into future loyal clients** for your products and services.

Plus you'll get **new referrals**, many of which will be **clients today** for your core products and services.

Key Points on our program:

We do ALL the work for the client to guarantee their savings and keep them on track.

Our **Average Client saves over \$83,300** in interest & pays everything off in 8-12 years vs. 25-30.

Over **82 million in client interest savings since 2000**.

Typical client profile: Age 40- 62 / At least 1 Mortgage over \$75K / At least 4 Non Mortgage Debts / Over \$25K in non-mortgage Debt

*As a referral partner, you can **earn up to \$500** for a client who enrolls in our program, or we can apply a discount to the client's program cost.*
