Fellowship Baptist Church is a theologically reformed evangelical church committed to the glorification of God through the preaching and teaching of the Word. Fellowship values doctrinally sound Biblical preaching, unity of the body of Christ, disciple-making, and a desire to reach out to our community with the Gospel of Jesus Christ.

Fellowship Baptist Church historically has been known as a church that shows love to its visitors and members. The congregation started meeting over 35 years ago and has an average worship attendance of 100 people. Fellowship is located in a rural yet industrial community of 2500 people. We are a multi-generational church but are growing in young families. Fellowship has recently expanded its building to accommodate a need for additional classroom space. Our worship style incorporates both traditional hymns and contemporary music rich in Biblical content.

We are prayerfully seeking a man with a pastoral ministry or seminary degree. We seek a pastor who desires to learn and grow in his position as he strives to preach and teach the scriptures in a meaningful, insightful, and God-glorifying fashion. Training in Biblical counseling is preferred but not required. Applicants should be skilled in teaching, preaching, discipling, administration, and leading.

Fellowship's Purpose Statement

To bring people to Jesus and membership in His family, develop them to Christ-like maturity, and equip them for their ministry in the church and life mission in the world, in order to magnify God's name.

To inquire, please send your resume and a doctrinal statement to the above address.
