

FGM GOER-Guest Forms

Dear GOER-Guest:

Thank you for investing the time and finances to participate in a cross-cultural ministry of Faith Baptist Church. In order to improve the way we serve you, our GOER-Guests, as well as the people to whom we are ministering, facilitators and hosts, we ask for feedback on the ministry.

We ask that you complete these forms as soon as possible after your ministry is complete. All comments will be read and seriously considered.

The FGM GOER-Guest FGM Evaluation form is for you to evaluate the role that FGM played in this ministry opportunity. Your response will help us better understand what we need to change in order to serve our GOER-Guests better.

The Goer-Guest Debriefing form is for you to evaluate your experience. Note that this form is two pages long. We ask that each individual complete the form for themselves rather than a form for a couple.

Please complete both forms and email to David.Selvey@ffni.com within 1 week after returning from your trip.

Thank you for your commitment to and participation in the missions ministry of Faith Baptist Church.
