ACACIA SUBSIDIARY SETTLES SUIT AGAINST U.S. GOVERNMENT AND RAYTHEON COMPANY

Newport Beach, Calif. – (BUSINESS WIRE) September 30, 2008 – Acacia Research Corporation (Nasdaq: ACTG) announced today that its High Resolution Optics Corporation subsidiary has settled its lawsuit against the U.S. Government and Raytheon covering a patent portfolio relating to advanced optics and optical systems.

This patented technology generally relates to refractive and diffractive systems and methods for improving imaging capabilities in multi-element optical systems by using fewer elements. The patented systems and techniques have applications in imaging systems used by the military and those used by the private sector.

ABOUT ACACIA RESEARCH CORPORATION

Acacia Research’s subsidiaries develop, acquire, and license patented technologies. Acacia Research’s subsidiaries control 98 patent portfolios, which include U.S. patents and certain foreign counterparts, covering technologies used in a wide variety of industries.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

This news release contains forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. These statements are based upon our current expectations and speak only as of the date hereof. Our actual results may differ materially and adversely from those expressed in any forward-looking statements as a result of various factors and uncertainties, including the recent economic slowdown affecting technology companies, our ability to successfully develop products, rapid technological change in our markets, changes in demand for our future products, legislative, regulatory and competitive developments and general economic conditions. Our Annual Report on Form 10-K, recent and forthcoming Quarterly Reports on Form 10-Q, recent Current Reports on Forms 8-K and 8-K/A, and other SEC filings discuss some of the important risk factors that may affect our business, results of operations and financial condition. We undertake no obligation to revise or update publicly any forward-looking statements for any reason.
