Dear Sir or Madam:

The Project On Government Oversight (POGO) has updated its Federal Contractor Misconduct Database (<http://www.contractormisconduct.org/>), a compilation of information from public resources regarding government contractors, including SK Holdings. SK Holdings is included in this database because it was one of the U.S. Government's top 100 contractors in fiscal year 2007, though no instances of misconduct have yet been found for your company.

If you have any questions, I can be reached at (202) 347-1122. Thank you for your time and consideration.

Sincerely,

Neil Gordon
