

Employment Opportunities

Are you looking for a rewarding job or just need some additional income or need some part-time work? We have a wide variety of part-time and as-needed positions available. We are currently seeking to consolidate our cleaning technician positions at our family-owned and operated cleaning team.

Dave's Cleaning Consultants is dedicated to employing motivated, reliable, and efficient technicians for our current and future accounts. An essential trait that we at DCC consider being key in providing premium service is that our employees take ownership and pride in their work in every facility they are responsible for servicing.

Foremost, we are invested in providing quality service and a welcome environment where all individuals employed by DCC are aligned with our core values.

Core Values:

- Working with personal and professional integrity.
- Trust, support and respect for team members.
- The ability to solve problems through communication.
- Maintaining a positive attitude and dedication towards one's work.

DCC Benefits:

- Extra pay with a steady income
- Pay based on performance
- On the job/paid training
- Immediate placement
- Friendly work environment
- Variety of shifts available

Compensation:

Pay starts at \$11.00 an hour and will increase depending on performance.

Expectations:

- Responsible and honest
- Detail oriented
- Strong work habits
- Ability to work independently as well as part as a team

Requirements:

- Reliable transportation
- Ability to handle physical workload
- Strong attention to detail
- Strong organizational skills
- Being able to work with a team
- Being friendly
- Strong communication skills
- Being able to pass background check and a drug screening
- Valid Driver's License, with clean driving record
- Misdemeanor/felony free
- Must be able to lift 35lbs.

Location Requirements:

This particular position requires individuals to travel in areas from Parkton, Maryland throughout the Towson, Maryland territory.
