

# Ribalizer Killer Chicken

**Make a whole bunch of fall-off-the-bone-tender chicken with the Ribalizer rib cooker. Fast, easy and feeds a hungry crowd!**

---

## TIME

Prep Time: 1/2 hour

Cook Time: 2 hrs.

## INGREDIENTS

Whole cut up chicken or your favorite pieces.  
*Use up to as much as you can fit into the six meat separator slots.*

Cooking oil spray

~1 1/2 cups Ribalizer Rub the Ribs Spices, or your favorite pork BBQ spice rub

~ 3 to 4 cups wood chips— mesquite or your choice

Liquid for pan: 1 liter of Dr. Pepper® or other liquid of your choice, plus extra water as needed

Optional BBQ sauce

## DIRECTIONS

Prep the chicken, preferably overnight:

- 1) Remove chicken from packaging. Cut into pieces if using whole chicken. Wash with cold water and dry thoroughly.
- 2) Rub the chicken thoroughly with spice mixture, wrap in foil and refrigerate at least 3 hours, but preferably overnight.

Cook the chicken:

- 1) Snap your Ribalizer meat separator into rack. Rub or spray rack and meat separator with cooking oil.
- 2) Add soaked wood chips to grill using foil packet or pan.
- 3) Place Ribalizer on grill. Slot the pieces of chicken into the meat separator.
- 4) Add the Dr. Pepper® or liquid of your choice to the pan, filling to the base of the rib rack below the meat.
- 5) Cook for 2 hours total following the basic Ribalizer rib instructions (45 minutes uncovered, and 1 hour 15 minutes covered), as follows:
  - ◇ Turn grill on using medium high heat and **close grill lid**. Smoking should begin within a few minutes.
  - ◇ At 5 minutes check the liquid in your Ribalizer. If liquid is boiling, lower the heat of your grill slightly (the liquid should be simmering).
  - ◇ Cook for 45 minutes total with **grill lid closed**.
  - ◇ At 45 minutes, put barbecue gloves on and open grill lid. Top off liquid to reach bottom rungs of the rack. With gloves on, invert second aluminum pan and slide / secure into metal ring (as lid) of Ribalizer.
  - ◇ **Close grill lid** and cook for an additional 1 hour 15 minutes.
- 6) With barbecue gloves on, open grill lid and remove Ribalizer's upper aluminum pan, being careful to avoid steam while opening.
- 7) Remove chicken pieces and place on serving platter or in upper aluminum pan.
- 8) Serve with BBQ sauce on the side. Enjoy!
