Dear Parents,

September 2019

Everyone has done a great job settling into our first week of preschool. It's so nice to be able to meet all of the new faces and welcome back our "old" friends. A warm and heartfelt welcome to all....both old and new! We look forward to a fun year of learning, singing and getting to know one another.

Our class rules are listed below. It would be a great help if you could reinforce them at home too!

We ask that everyone please sign up for snack. There is a sign- up sheet on our bulletin board. We do ask for a somewhat "healthy" snack, and water. Please supply 5 oz. cups and napkins also. Thank you in advance.

Note: Be sure to tell us if your child has any food allergies.

Please be sure to hand in all of your completed forms right away. The information is a great help in knowing and teaching your child.

This will be a fun and exciting year. We look forward to getting to know and teach each of your beautiful children. Thank you for entrusting your precious treasures with us.

And lastly, for now, if ever you have any questions or concerns, please do not hesitate to talk to us.

Warmly,
Miss Sharon K. and Miss Lynn K.
