

ANNUAL MEMBERSHIP MEETING

***SEPTEMBER 30, 2016**

***7:00 PM.**

***AT THE SCHIMMING BUILDING, IOWA COUNT FAIR GROUNDS, MINERAL POINT, WI**

The North American Normande Association Annual Membership Meeting is scheduled for September 30, 2016, at the Iowa County Fairgrounds, 900 Fair St, Mineral Point, WI. We will be gathering in the Schimming Building on the fair grounds at 7:00 pm. Bill Knebel will be preparing a special meal and it will cost \$10.00/person. Please let the NANA office know if you are coming so we can get a reasonable count on meals needed.

The Annual Membership Meeting will follow the meal. The meeting agenda includes election of members to the Board of Directors, Annual Association Report, Annual Registry Report and anything else members wish to bring before the NANA membership.

Lodging is available at either of these facilities in Mineral Point, Wisconsin: The Quality Inn (608-987-4747 or toll free 866-987-4747); Dairyland Motel LLC (608-987-3141); or Redwood Motel (608-987-6500). Camping is available at the Iowa County Fairgrounds (608-987-3490); Lake Joy Campgrounds (608-762-5150). All are near or in Mineral Point. There are also numerous places of lodging in Dodgeville and Platteville, as well.

[illegible]

TRINITIE BARNETT & DOTTIE

Nearly one year ago Trinitie Barnett of Boone, IA, was awarded a Normande heifer in NANA's Youth Heifer Program for 2015. Trinitie reports the heifer is doing very well and she recently showed her at the Boone County Fair.

In the show ring Dottie was selected as the Grand Champion Normande. After

being selected as the best Normande in the show she then competed against the other breeds and was awarded a blue ribbon in the Junior Yearling All Breeds class that included the Junior Champions of the other breeds. And Trinitie herself was awarded a blue ribbon in the Senior Showmanship class. All in all it was a very good day of showing for Trinitie and Dottie. But it was tiring for Dottie as she decided to lay down in the show ring area at one point.

2016 NATIONAL NORMANDE SHOW

NORTH AMERICAN NORMANDE SHOW

Saturday, October 1, 2016
Iowa County Fairgrounds Mineral Point, Wisconsin
11:00 am

- *Any Normande breeder or owner is eligible to exhibit at the show.
- *Cattle exhibited must be registered or eligible for registration in the North American Normande Association herd book. Animals recorded in another breed association herd book qualify as long as exhibitor submits a copy of the other Association's registration paper to a NANA representative prior to 11:00 am on October 1, 2016.
- *Cattle can arrive no earlier than 8 am Friday September 30, 2016.
- *Cattle will be released as soon as the show is over.

*Exhibitors are expected to assist with the cleaning of the barns immediately after the show. (A skid steer and spreaders will be there to make it easier and quicker.)

*Cattle must have at least 50% Normande genetics.

***IF ANIMALS ARE NOT YET REGISTERED THERE WILL BE
REGISTRATION APPLICATIONS AVAILABLE AT THE SHOW AND
CAN BE SUBMITTED TO THE NANA REGISTRY SECRETARY BEFORE 11:00 AM
ON OCTOBER 1, 2016**

ENTRY FORMS (See below.)

Entry deadline is September 15, 2016 and there is no entry fee. Entries will be accepted up until time of show for a late fee of \$5.00/animal. **Mail your entries to:**

**Barbara Wogsland
11006 Bestul Road
Scandinavia, WI 54977**

ANIMAL HEALTH REQUIREMENTS (See Wisconsin regulations below.)

JUDGING

*Showmanship classes will be judge before placings classes.

*Separate classes will be held for dairy and beef Normandes.

*See entry form for class selections. If a class has less than 2 entries, it may be combined with another class. If a class has a large number of entries it may be split into two or three classes.

*Class order will be Bulls, Heifers and Cows. During the show classes will alternate between beef and dairy entries.

*Qualified judges will be hired to place each class.

*Ribbons will be awarded to the first three places in every class and trophies/platters will be awarded to the Champion and Reserve Champion in each division.

FACILITIES

The Iowa County Fairground is located on Fair Street in Mineral Point, WI.

No bedding or feed will be provided; all exhibitors must bring their own.

RV or camper parking is available at the fairgrounds and several motels are located in Mineral Point.

WISCONSIN HEALTH REQUIREMENTS FOR CATTLE

Cattle originating from within Wisconsin: There are no test or health document requirements for cattle from within Wisconsin.

Cattle originating from outside of Wisconsin: A Certificate of Veterinary Inspection shall accompany all cattle documenting animal identification and all tests or certificates required.

Steers are exemption from any brucellosis test requirement.

Cattle from Brucellosis Certified Free herds in Class A states may enter Wisconsin without a prior brucellosis test if the certified herd number and the last test date appear on the Certificate of Veterinary Inspection.

All cattle originating from Tuberculosis **Modified Accredited Advanced** states shall have a negative tuberculosis test within 60 days of entering Wisconsin; these states are Minnesota and New Mexico. Call the Wisconsin Division of Animal Health for a current listing of these states. (608-224-4872)

Dairy animals from states not recognizing Wisconsin's Tuberculosis Free status shall be required to have a negative tuberculosis test within 60 days of coming into Wisconsin. These states currently include: Arizona, Arkansas, California, Colorado, Connecticut (beef also), Georgia, Idaho, Indiana, Kansas, Missouri, Montana, Nebraska (beef also), Nevada, Oklahoma, Oregon, Pennsylvania (beef also), South Dakota, Texas, Utah, Washington, West Virginia (beef also) and Wyoming. Call the Wisconsin Division of Animal Health (608-224-4872) to check on the current status of your state if you do not know it.

Cattle originating from Tuberculosis Accredited Free herds (except MI) may enter Wisconsin without a prior test if the accredited herd number appears on the Certificate of Inspection.

Cattle originating from Michigan must have a permit number and require special tuberculosis testing. Call the Wisconsin Division of Animal Health (608-224-4872) to determine testing requirements.

If you have any questions about what is needed to bring your cattle into Wisconsin contact your veterinarian or the Wisconsin Division of Animal Health (608-224-4872).

Class 36	Pen of 3 Heifers	<u>3 heifers bred by same breeder, any age</u>

NEW FOR 2016!!!!

SHOWMANSHIP

- Rules: a) There will be 2 divisions: Dairy and Beef.
b) There will be 3 age categories in each division.
Youth: ages up through 12 as of 10-01-2016
Teen: ages 13-19
Adult: ages 20 and over.

- *Showmanship classes will be held **before** the regular placings classes.
- *Ribbons will be given to the top three in each category.
- *You do not need to sign up beforehand.
- *You do not need to own the animal to show in the showmanship class.

DISPLAY ANIMAL EXHIBIT

Rules: This category is for someone who would like to bring Normandes to the show but feels uncomfortable with leading them in a show ring. No awards will be given, just an opportunity to showcase your cattle tied in the barn.

(Make copies of this form or use an additional piece of paper if entering more than 3 classes)

*** ALL EXHIBITORS ARE ENCOURAGED TO DISPLAY NAME SIGNS FOR THEIR ANIMALS IN THEIR BARN EXHIBIT.**

THANK YOU!

For the past three years Nellie Burch of Whitehall, NY, has been serving on the NANA Board of Directors as a youth representative. She participated in board meetings via phone whether it was in a teleconference meeting or we were having a face to face meeting. Nellie is now an adult attending college and can no longer serve as a youth representative. The entire board of directors has appreciated her interest in Normandes and her participation in a representative capacity. We extend to her our thanks for the input she gave during our meetings.

With Nellie's departure from the board there is now an opening for someone to serve as the youth representative. The youth representative position is not a voting position on the board, however, it is a position from which a person can express their opinion and suggestions as the board goes about its responsibilities of taking care of the business of the association. The NANA board of directors has two face to face meetings each year (At the Annual Membership meeting in conjunction with the National Show in the fall and at the St. Croix Valley Bull Test Sale in the spring.) and several teleconference meetings as needed.

Any junior member of the association is eligible for the position. If you are interested please submit your name to the NANA office by September 28, 2016, so the board can make a decision during its meeting following the Annual Membership meeting on September 30, 2016.

[illegible]

MEET OUR JUDGES

Tammy Voegeli will be our judge for the dairy show. Tammy hails from Arlington Wisconsin and VoGrin Swiss Farms. She farms with her parents where they milk 80 cows. Tammy and her boyfriend, Allyn Paulson, also own and operate PV Boarding & Paule View Transport. They board show cattle for various clients and also transport cattle from coast to coast. They have a 2 year old son, Dakota who already has the bug for showing cattle.

Tammy actively exhibits at local, state and national levels. She has been very successful in owning or housing All Americans in four dairy breeds. She is an accomplished dairy cattle judge and has judged the WI State Jr Fair and the Illinois Jr State Fair, along with many county fairs and district youth shows. Prior to judging the NANA show this fall she will be placing dairy animals at the National Cattle Congress in Waterloo, IA in the middle of September.

Rich Dibble writes the following about the 2016 award: "The 2016 Hooves and Boots Award went to Jonas Meays of Holland Patent, NY. When it was time to select a winner we did not yet have a heifer to give, so we had to give Jonas an IOU. The award is in memory of Eli Dibble, so we were pleased that his favorite cow, Cinnamon, gave us a heifer for Jonas. I whispered in her ear that a boy was counting on her and next thing you know she delivered another heifer. We were touched that Jonas named her Cassia because it is a derivative of Cinnamon. It was heartwarming to see Jonas and Cassia together, and we are sure they will be a blessing to one another. The Meays family does not run a commercial dairy, but they do have a small herd of family cows of different varieties and we are sure she will get great care and lots of attention. Cassia came a little too late to make the show circuit this year but, eager to show, Jonas leased one of our heifers from last year for 2016 and will show Cassia as his own next year. It has been our privilege to get to know this fine family a little better at the shows and we wish them well and welcome to the Normande family."

Jonas Meays writes this about his leased managerial heifer: "I had a busy summer caring for and showing a leased Normande heifer, Lilly. I showed Lilly as a beef heifer at the Farmer's Museum Junior Livestock Show in Cooperstown, and at the Boonville Fair. In Cooperstown, Lilly was awarded Grand Champion of the Normande breed, and in Boonville, Lilly was awarded Reserve Grand Champion, and I was selected Reserve Novice Showman. It was an exciting show season for both of us!

I have also been busy getting to know and work with my Normande heifer calf, Cassia, whom I was awarded this

spring through the Hooves and Boots Award. She is getting bigger each day, and I have been working with her to have her halter trained and leading well before she gets any bigger!

I have really enjoyed learning about how to show beef cattle this summer. I also enjoyed the experience of caring for a leased heifer, and raising my new calf Cassia."

But giving away two Normande heifers in their sons memory still was not enough for Richard and Caroline Dibble. They have a young friend who had gone to school with Elijah and fell in love with their Normandes and wanted to buy a heifer to show. But because they had no extra heifers to sell, Richard and Caroline leased a bred heifer as a managerial project to Jordynn Alesia of West Winfield, NY until she is able to purchase a Normande. Jordynn was asked to provide some information about her heifer and showing. The heifer's name is HHA Diametrius Aravis and is sired by SGF Diametrius.

Here is what Jordynn submitted about her heifer. "This year I had the privilege of leasing a gorgeous Normande heifer. I got to experience a lot having her around for the summer. Being that she was a bred heifer I had to make sure I paid even closer attention to her. It was a ton of fun having her around. I showed Aravis, my leased heifer, at two local shows. The first was The Farmer's Museum Junior Livestock Show in Cooperstown, NY. This is a youth only show, so you are only competing against kids ages 8 to 19 years old. There I received Grand and Senior Champion, but the more important thing was letting people see and learn more about this not so common breed of cows. I also showed her at my county fair which is the Herkimer County Fair in Frankfort, NY. Here I also received Grand and Senior

Champion. I got to expose the breed and educate people on these wonderful animals which was the best part of having a Normande around. I can't wait to own my own Normande someday, they are some of the best cows that I've ever been around."

The Dibble's youngest daughter, Ruth, has been bitten by the show bug as well. This year she showed a bull calf named HHA Uno Clove Puddleglum in the beef division. His sire is New Hope Saintyorre Uno-ET. She also showed HHA Xandude Leia, sired by SGF Xandude F47Y, in the dairy division at the Farmer's Museum Junior Livestock Show in Cooperstown, NY. As can be seen from the pictures, she had a very good day

A WORD FROM BARB

Hi all,

It's once again the most exciting time of the year for Normande breeders! Annual meeting, show and world dairy expo. Lots of opportunities to visit with fellow Normande enthusiasts and gather the latest news. Please look over this newsletter carefully and check out some new things we will be trying at the Normande show, including showmanship competitions and display only exhibits. Have a safe fall and I hope to talk with

you in person soon.

Barb

NOMINEE'S FOR NANA BOARD OF DIRECTORS ELECTION

NANA members have received a mail ballot for the 2016 Board of Directors election. For those unable to attend the Annual Membership meeting you can vote by mail ballot. For your vote via mail ballot to count it must be postmarked by September 25, 2016, so the NANA office receives it on or before September 30, 2016. Individuals nominated are:

BRUCE BOLEN: Bruce and his wife, Connie, reside near Green Top, MO, where they have a small herd of 25 registered Normande beef cows on their Cedar Lane farm. Bruce has been a lifelong member of NANA and has served the association as an officer for a number of years. He is currently a member of the Board of Directors. In 2015, he and Connie received NANA's Distinguished Service Award.

LEXA MILLER: Lexa lives near Mount Horeb, WI, and is the owner of Miller Tyme Normandes. She is in the process of developing a small dairy herd of registered Normande animals and has shown them at the NANA National Show and the Wisconsin State Fair. Lexa represented NANA in the showmanship competition at the Cinor 2014 in France in 2014. And she currently is one of the sales representatives for Normand-E-Genetic Solutions.

PAUL MOEHNIG: Paul and his wife, Delores, are from Lake City, MN. Their 70 cow beef herd of PDM Normandes keeps them busy. PDM Normandes has consigned bulls to the St. Croix Valley Bull Test and have sold breeding stock to numerous breeders. Paul is currently a member of the Board of Directors and served as NANA's secretary until one year ago when he stepped down from that position.

MICHAEL MUELLER: Mike, his wife, Sharon, and their son, Matthew, and his wife, Beth, own Double M Cattle Company, LLC, near Rewey, WI. They have a herd of 80 registered Normande beef cows, 60 registered Shorthorns, and 260 crossbred cows being bred to Shorthorn and Normande bulls. They also operate a 400 head capacity feedlot. Mike has been on the Board of Directors for several terms and was NANA's president at one time. Since then he has served as NANA's treasurer and manages NANA's office as registry secretary.
