Message 10 (Dec 15, 2013)

Habakkuk: Praying through the Problem of Evil

(Habakkuk 1-3)

- 1) God's people should wrestle with the problem of evil.
- 2) God's people should view the problem of evil as an opportunity to grow in faith.
- 3) God's people should know that God is sovereign over evil.
- 4) God's people should trust God with joy when their understanding fails them.
