Suffering

(Psalm 22)

- 1) In suffering, we can lose our sense of God's presence.
- 2) In suffering, we can lose our sense of identity.
- 3) In suffering, we can lose our sense of community.
- 4) In Jesus' redemption, we reconnect with God's presence and grace.
- 5) In Jesus' redemption, we learn we are not alone.
- 6) In Jesus' redemption, we return to ministry in community.
