Message 34 (September 27, 2015)

You Cannot Serve Both God and Money

(Luke 16:1-15)

- 1) The Master's money is the Master's money.
- 2) The Master's money is not the manager's master.
- 3) The Master's money can bring the Master's praise.
- 4) The Master's money is meant for the Master's mission.
