Sign, Sign, Everywhere a Sign!

(Mark 2:23-3:6)

- 1) The theological problem: rules never engender righteousness.
- 2) The accretion problem: rules grow beyond their intention.
- 3) The consistency problem: rules are never without exceptions.
- 4) The bondage problem: rules were never meant to enslave us.
- 5) The idolatry problem: rules are not the ultimate authority.
- 6) The compassion problem: rules should never limit our love.
