[illegible]

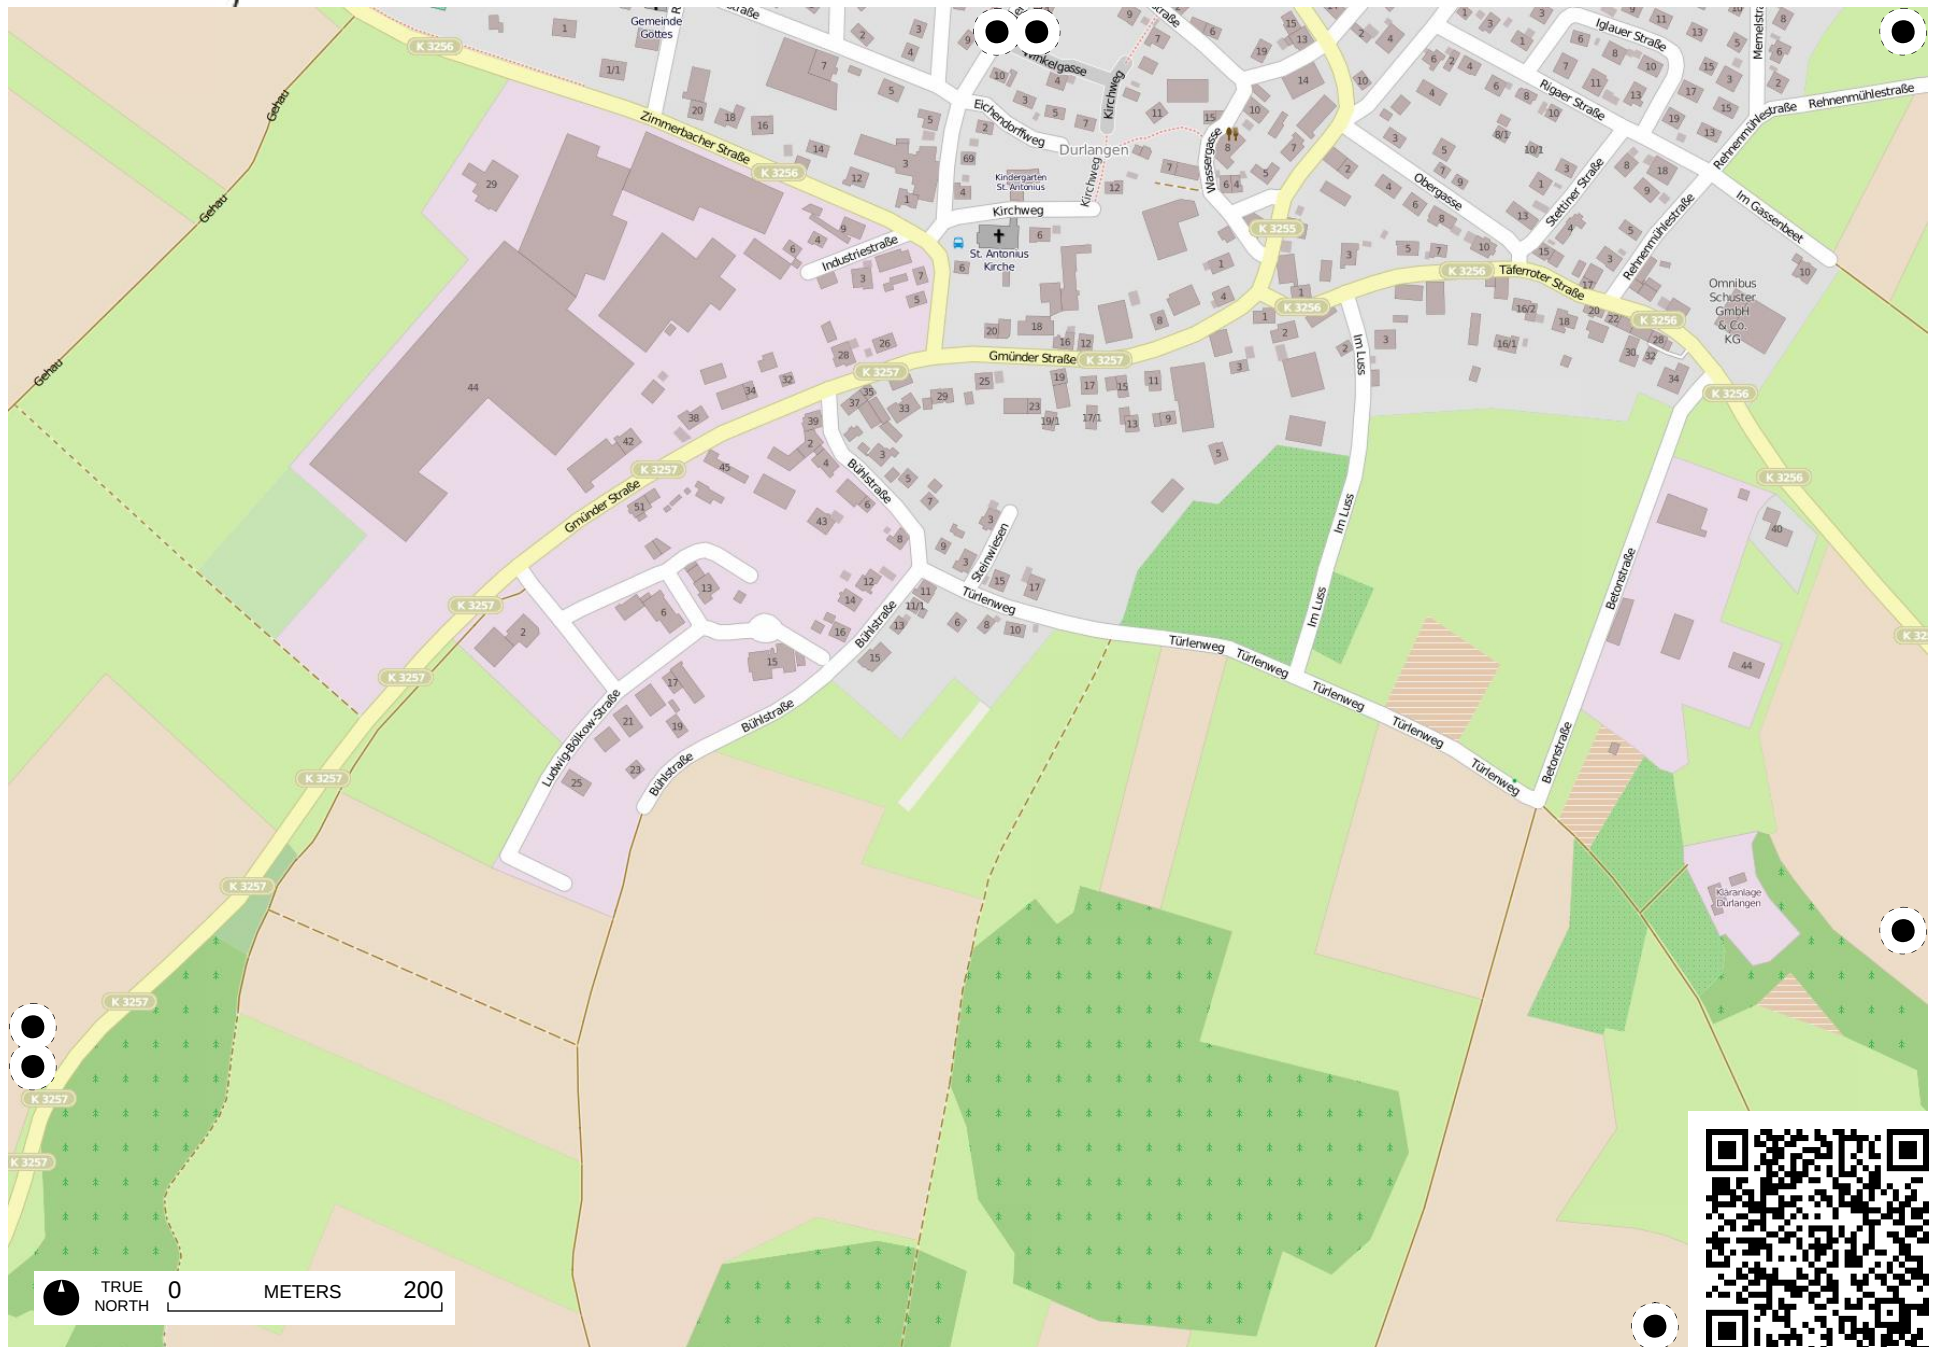

This topographic map depicts a forested area, likely a park or reserve, characterized by a dense grid of small green trees. The terrain is shown with brown contour lines indicating elevation. A prominent white line, possibly a road or a major trail, runs along the left edge. In the upper right, a blue lake is visible. Several trails are marked with colored lines: a purple line labeled 'Krahenrainweg' runs through the center, and a blue line labeled 'Krahenrainweg' runs along the bottom. Other labels include 'Krahenrainweg' in the bottom right, 'Krahenrainweg' in the middle right, and 'Krahenrainweg' in the bottom right. A QR code is located in the bottom right corner. A scale bar at the bottom left indicates a distance of 200 meters, and a north arrow points upwards. The map is framed by a black border with four circular markers at the corners.
