

The map displays the city of Padang, Indonesia, and its surrounding areas. Key features include:

- Geographical Features:** The city is situated along the coast of Sumatra. Major rivers shown include Sungai Kandang, Sungai Sapih, Sungai Kuranji, and Sungai Arau. Several hills and mountains are marked, such as Gunung Padang, Gunung Sarik, Gunung Bulat, and Gunung Kadik.
- Administrative Divisions:** The map shows various districts and sub-districts, including Padang Sarai, Padang Pasir, Padang Basi, and Padang Besi. Other nearby locations like Limau Manis, Koto Panjang, and Koto Pulai are also labeled.
- Infrastructure:** A network of roads is depicted, with major roads highlighted in orange and yellow. The map also shows the location of the airport (Padang International Airport) and various public facilities.
- Landmarks and Points of Interest:** Notable landmarks include the Karan Sajo Base Camp (The Farmer Association), the Perum Gria Insani, and the Kapala Koto.
- Map Elements:** The map includes a scale bar, a north arrow, and a QR code in the bottom right corner. It also features several circular markers, likely indicating specific points of interest or locations of interest.
