

This map displays a suburban landscape with a complex road network. A prominent red line, representing a proposed rail alignment, runs diagonally from the upper left towards the lower right. A blue line, likely a river, flows horizontally across the middle of the map. A yellow line highlights a specific route, possibly a bus or transit line, winding through the area. The map is labeled with numerous roads, including 16th Street, I 64, WV 10, and various local streets like Kinetic Dr, Hillendale Dr, and Woodville Dr. A scale bar at the bottom left indicates a distance of 0 to 400 meters, and a QR code is located in the bottom right corner.

This map displays a suburban landscape with a proposed rail line (red line) running diagonally from the upper left to the lower right. The rail line is labeled '16th Street' and 'WV 10'. A major road, I 64, runs horizontally across the middle of the map. Other roads include Kinetic Dr, 16th Street, and various residential streets like Crestmont Drive, Camelot Drive, and Kings Highway. A blue line representing a river flows from the left towards the center. A yellow line indicates a road, possibly a highway or a major thoroughfare. The map includes a scale bar (0 to 400 meters), a north arrow, and a QR code in the bottom right corner.
