A map of the Baltic Sea region, showing parts of Finland, Sweden, and Estonia. The map is overlaid with a grid of black and white squares, some of which are solid black, others solid white, and some containing a small black circle. A QR code is located in the bottom right corner. The map shows major cities like Helsinki, Tallinn, and Stockholm, and includes labels for various regions and islands. The sea is depicted in a light blue color, and the land areas are in shades of green and brown.

A collage of various maps of France, including Haute-Normandie, Creuse, and other regions, arranged in a grid-like fashion with black borders and white circles. The maps show different geographical areas, some with labels like 'Haute-Normandie', 'Creuse', 'Tours', 'Bourges', 'Chateauroux', 'Montluçon', and 'Melle'. The maps are arranged in a grid-like fashion, with some maps partially visible and others fully shown. The background is black, and there are white circles and lines overlaid on the maps.
