[illegible]

A detailed topographic map of a mountainous region, likely in Taiwan based on the labels. The map features a grid system and shows several peaks with their elevations: 吊茅田山 (933.76m), 響子田山 (956.62m), 頂城山 (880.00m), 大尖山 (2019.44m), 火引大山 (809.92m), 火引主峰 (870.2m), 卜山 (222.9m), and 北潭南山 (1087.00m). A prominent road, labeled '中正路' (Zhongzheng Road) and '21甲', winds through the landscape. Other landmarks include '角板寮車站' (Juebanliao Station), '南靖遊客中心' (Nan-jing Visitor Center), and '伊達山轉角'. A scale bar at the bottom left indicates distances up to 2 kilometers, with a north arrow pointing upwards. A QR code is located in the bottom right corner. The map uses green for forested areas and brown for rocky or developed terrain.
