A map showing a street intersection. A wide orange road runs diagonally from the bottom-left to the top-right. A narrower grey road, labeled "Chambers Street", runs diagonally from the top-left to the bottom-right, crossing the orange road. To the left of the orange road, there are several grey rectangular blocks, some labeled with numbers like "75" and "277". To the right of the orange road, there is a large grey rectangular block. A scale bar at the bottom left shows a distance of 0 to 50 METERS. A QR code is located in the bottom right corner. The map is oriented with a north arrow pointing towards the top-left. There are four circular markers with black dots at the corners of the map area.
