This is a detailed topographic map of the Arco area in Italy. The map shows the city of Arco, the Adige river, and surrounding towns like Bolognano and Noreda. The map includes a scale bar (0-400 meters), a north arrow, and a QR code in the bottom right corner.

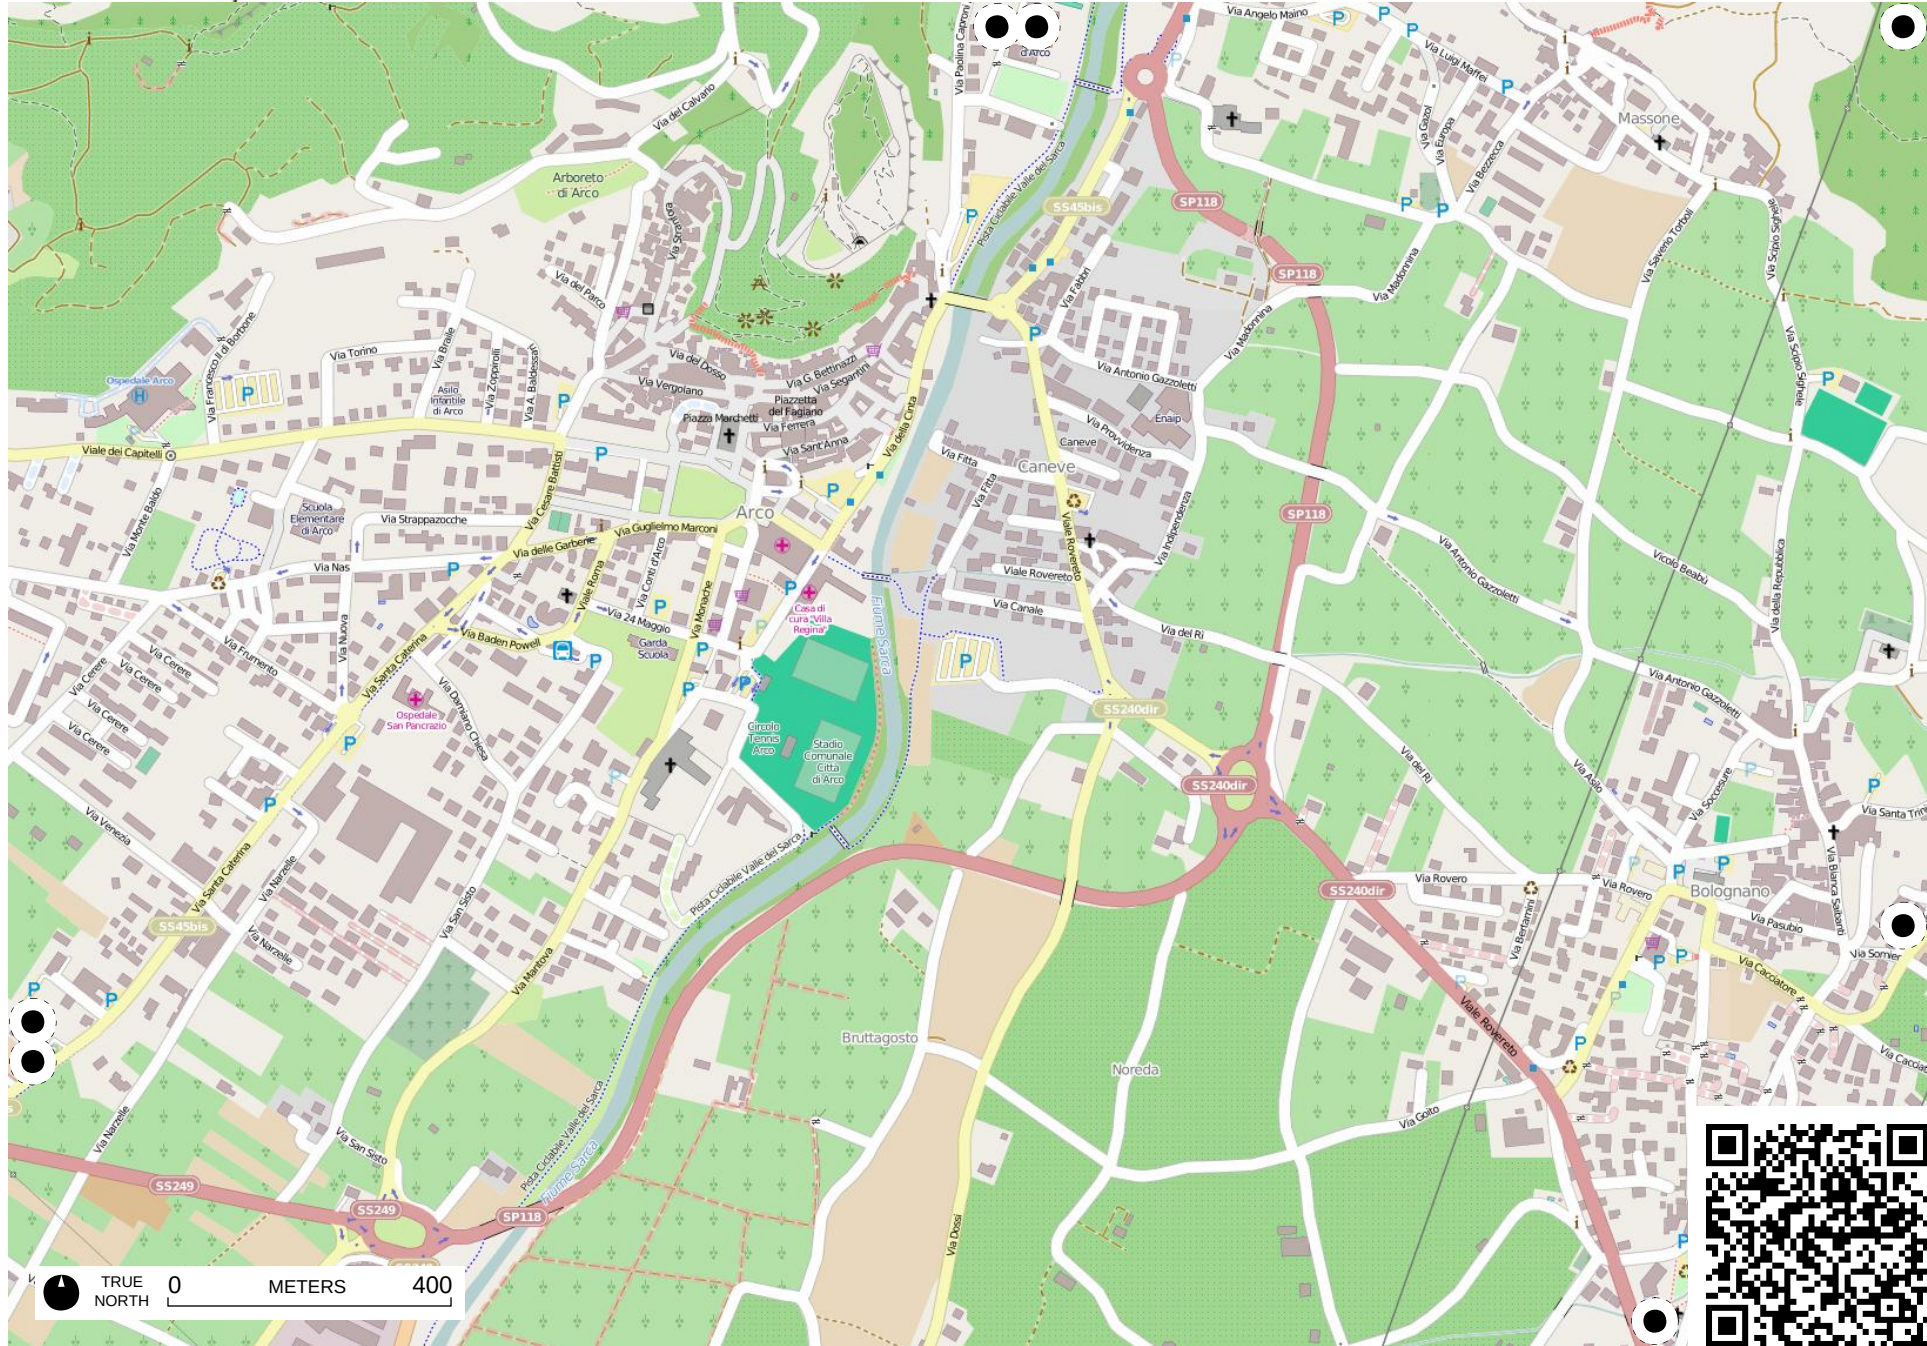

Key features on the map include:

- Arco:** The central city, featuring the Piazza del Fagnano, Piazza del Bosso, and the Adige river.
- Adige River:** Flows through the center of the map, with several bridges crossing it.
- Surrounding Towns:** Bolognano to the east, Noreda to the south, and Bruttogosto to the southwest.
- Infrastructure:** Major roads like SS249, SS240dir, and SS45bis are shown. The map also includes numerous smaller streets and landmarks.
- Scale and Orientation:** A scale bar at the bottom left indicates distances up to 400 meters. A north arrow is located in the bottom left corner.
- QR Code:** A QR code is located in the bottom right corner of the map.

This is a detailed topographic map of the Arco area in Italy. The map shows the city of Arco, the Adige river, and surrounding towns like Bolognano and Noreda. The map includes a scale bar (0-400 meters), a north arrow, and a QR code in the bottom right corner.

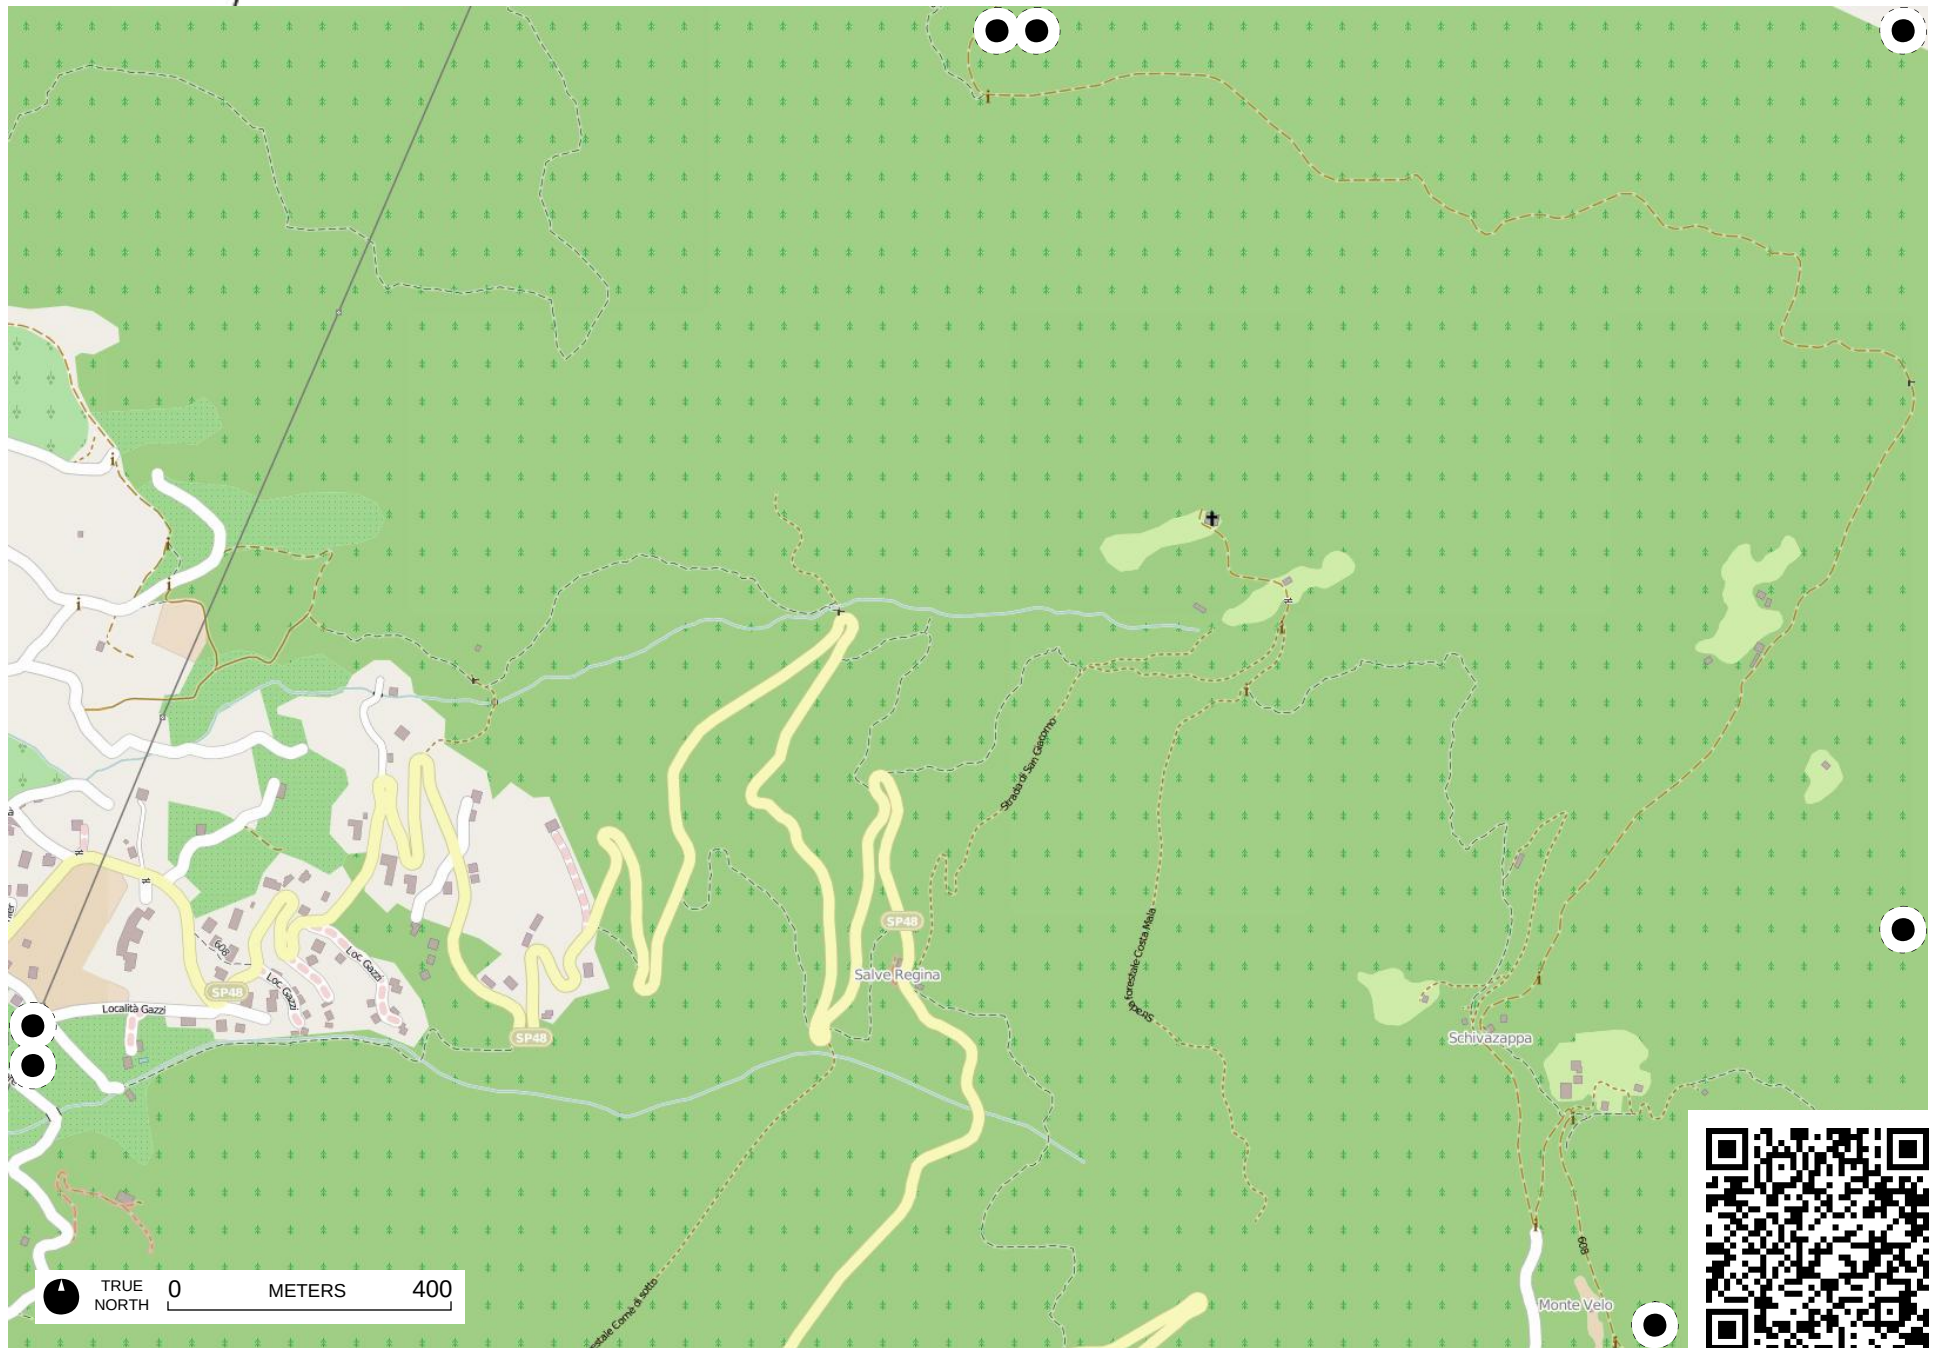

Key features on the map include:

- Arco:** The central city, featuring the Piazza del Fagnano, Piazza del Bosso, and the Chiesa di San Pietro.
- Adige River:** Flows through the center of the map, with several bridges crossing it.
- Surrounding Towns:** Bolognano to the east, Noreda to the south, and Bruttogosto to the southwest.
- Infrastructure:** Major roads like the SS249 and SS240dir are shown, along with numerous smaller streets.
- Landmarks:** The Arboreto di Arco (Arco Arboretum) is located to the north of the city.
- Scale and Orientation:** A scale bar indicates distances up to 400 meters, and a north arrow is located in the bottom left corner.
- QR Code:** A QR code is located in the bottom right corner of the map.

This is a detailed topographic map of the Valle Sabbia region in the Italian Alps. The map features the Rio Sarca as the central watercourse, with several tributaries including Rio Sorino, Rio Berninello, and Rio Rognone. Key locations marked include Serodine, Stal de Rode, Portole, Valesele, Cornelle, and Dos de Portole. A prominent purple line indicates the 'Sentiero Monte Telegrafo' (Telegraph Mountain Trail), which runs through the valley. The map also shows the 'Comunità montana della valle Sabbia' and 'Comunità Alto Adige/Südtirol'. A scale bar at the bottom left indicates a distance of 0 to 400 meters, and a north arrow is provided. A QR code is located in the bottom right corner.

The map displays a section of the Italian Alps, specifically the Valle Sabbia area. The Rio Sarca is the central watercourse, surrounded by green forested slopes. A purple line, likely a hiking or cycling route, traverses the landscape from the bottom left towards the top right. Key geographical features include the towns of Serodine, Stal de Rode, and Portole. The map also shows the Rio Sorino and Rio Berninello. A scale bar at the bottom left indicates a distance of 400 meters, and a QR code is present in the bottom right corner.

[illegible]

A detailed topographic map of the Rocchetta Giochiello area. The map features a green background representing forested terrain, with brown contour lines indicating elevation. A prominent pink diagonal line runs from the bottom left towards the top right. Several dashed lines represent trails or paths, some labeled like "Sentiero Zinotti". Key locations are marked with red triangles and labels: "Rocchetta Giochiello" at its peak, "Cima Sot 1245", "Grotta Dael 1301", and "Corno Frea". Other labels include "Riva del Garbo Isidro" in the upper left, "Sella della Pira", "Doss'Alpi Pass", "Sanctuary Madonna", and "Galena Monte Empio" in the upper right. A road labeled "SS240" is visible near the center-right. In the bottom left corner, there is a scale bar showing 0 to 400 meters and a north arrow pointing upwards. A QR code is located in the bottom right corner. The map is framed by four circular punch holes at the corners.

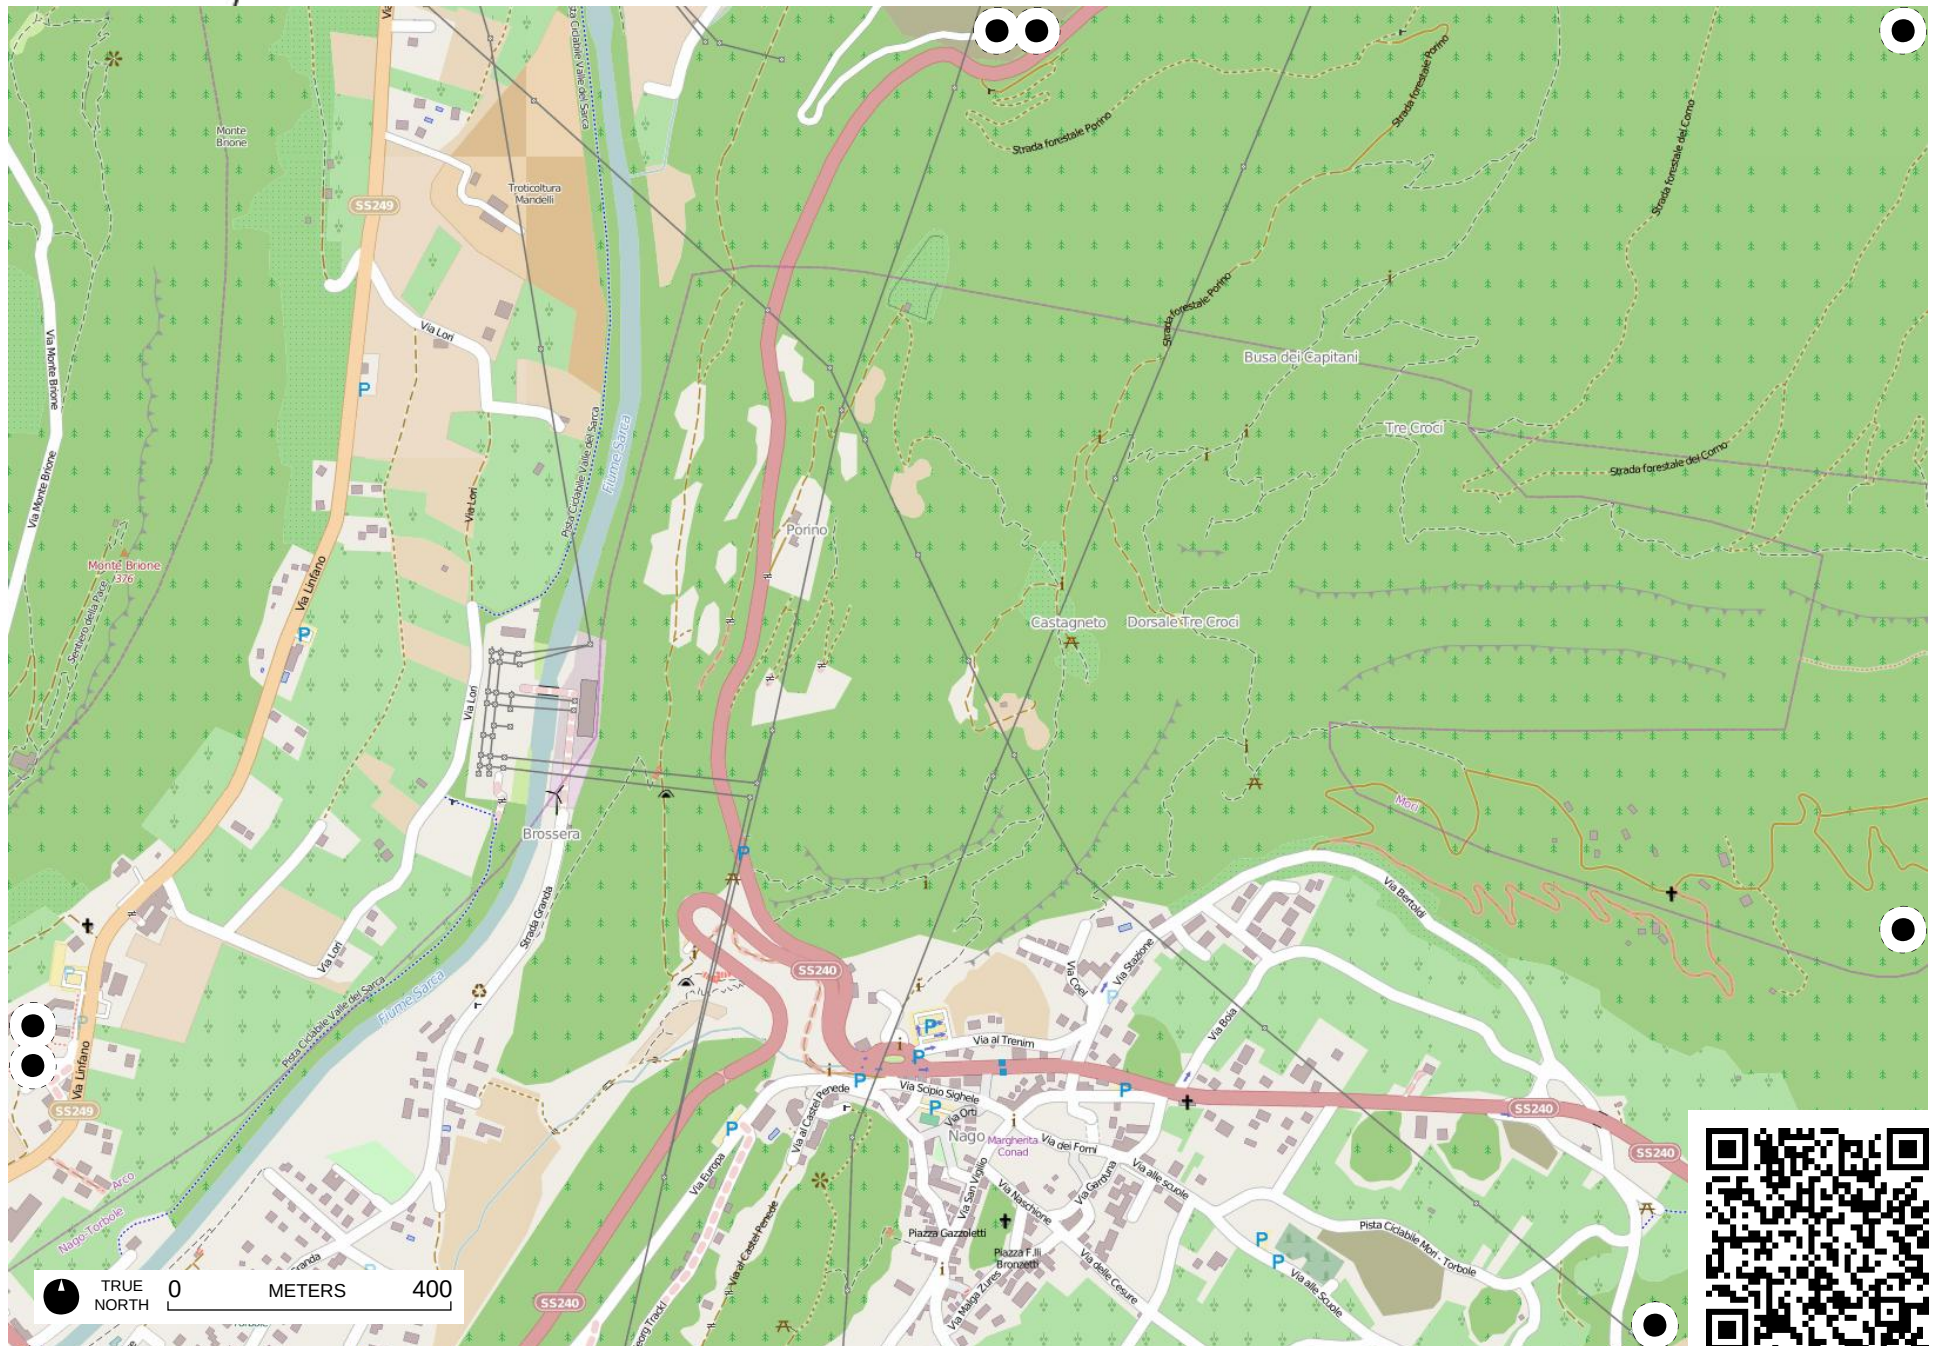

[illegible]

This is a detailed map of Riva del Garda, Italy, showing the town's layout along the shores of Lake Garda. The map includes numerous street names, such as Viale Canelia, Viale Dante Alighieri, Viale Garibaldi, Viale Rovereto, and Viale Trento. Key landmarks like the Riva del Garda town center, the lake, and the surrounding hills are depicted. A scale bar at the bottom left indicates a distance of 400 meters. A QR code is located in the bottom right corner, likely linking to additional information or a digital version of the map. The map also shows various parking areas (marked with 'P') and public facilities like a supermarket and a boat rental.

Field Papers

<http://fieldpapers.org/atlas.php?id=t64btrmf/C14>

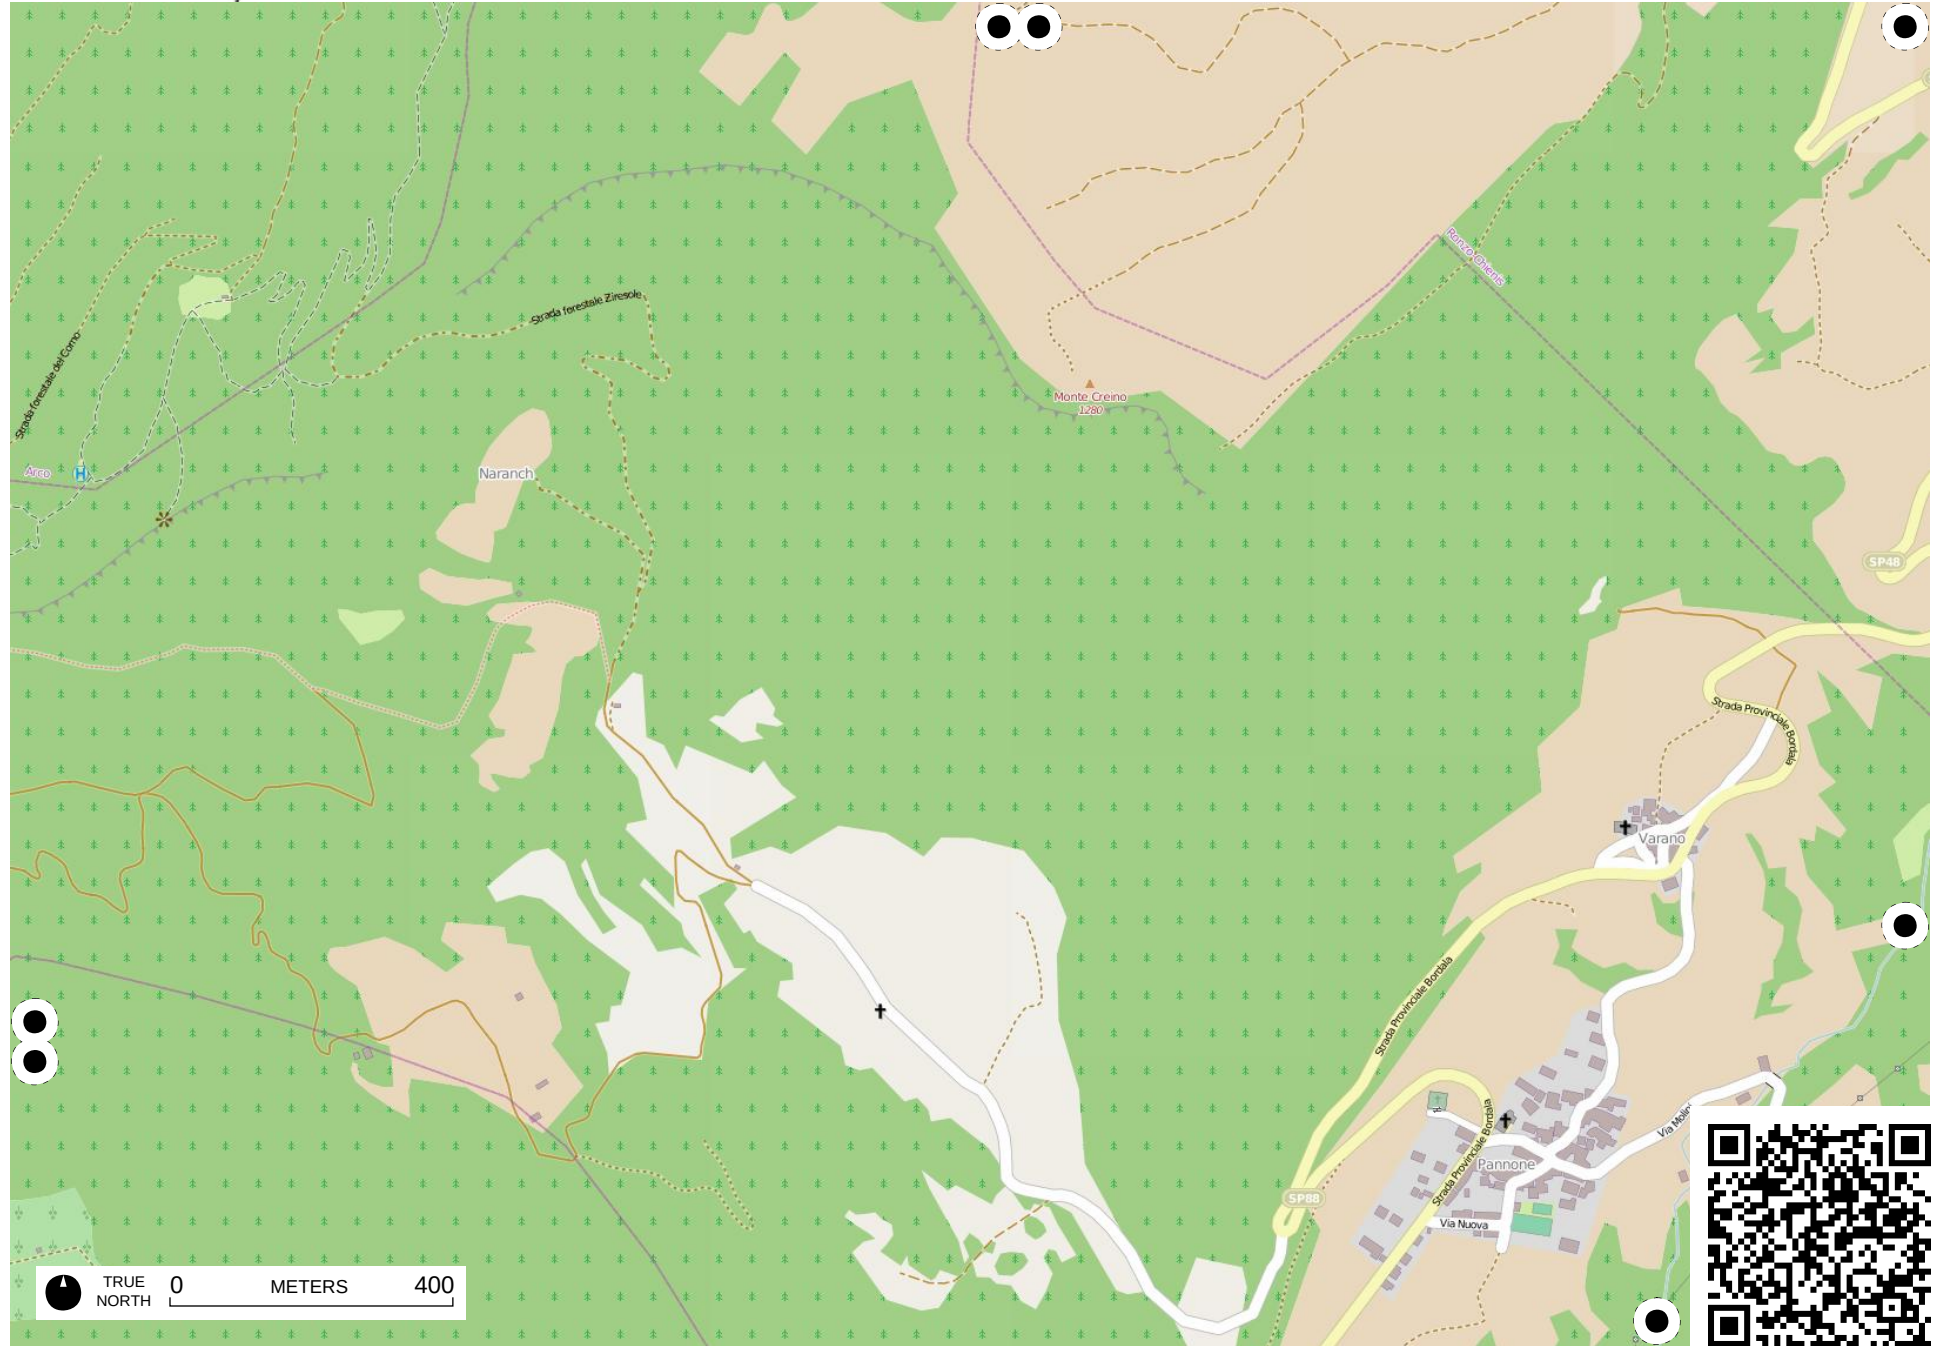

This topographic map depicts a hilly region with extensive green forested areas. Key features include:

- Geographical Labels:** 'Strada forestale Ziresole' (forest road), 'Monte Creino 1280' (peak elevation), 'Varano' (settlement), 'Pannone' (settlement), and 'Via Nuova' (road).
- Infrastructure:** 'Strada provinciale Borasda' (provincial road) and 'SP48' (road number) are visible.
- Scale and Orientation:** A scale bar at the bottom left shows a distance of 400 meters. A north arrow is also present.
- Map Details:** The map uses contour lines to show elevation and includes a QR code in the bottom right corner for digital access.

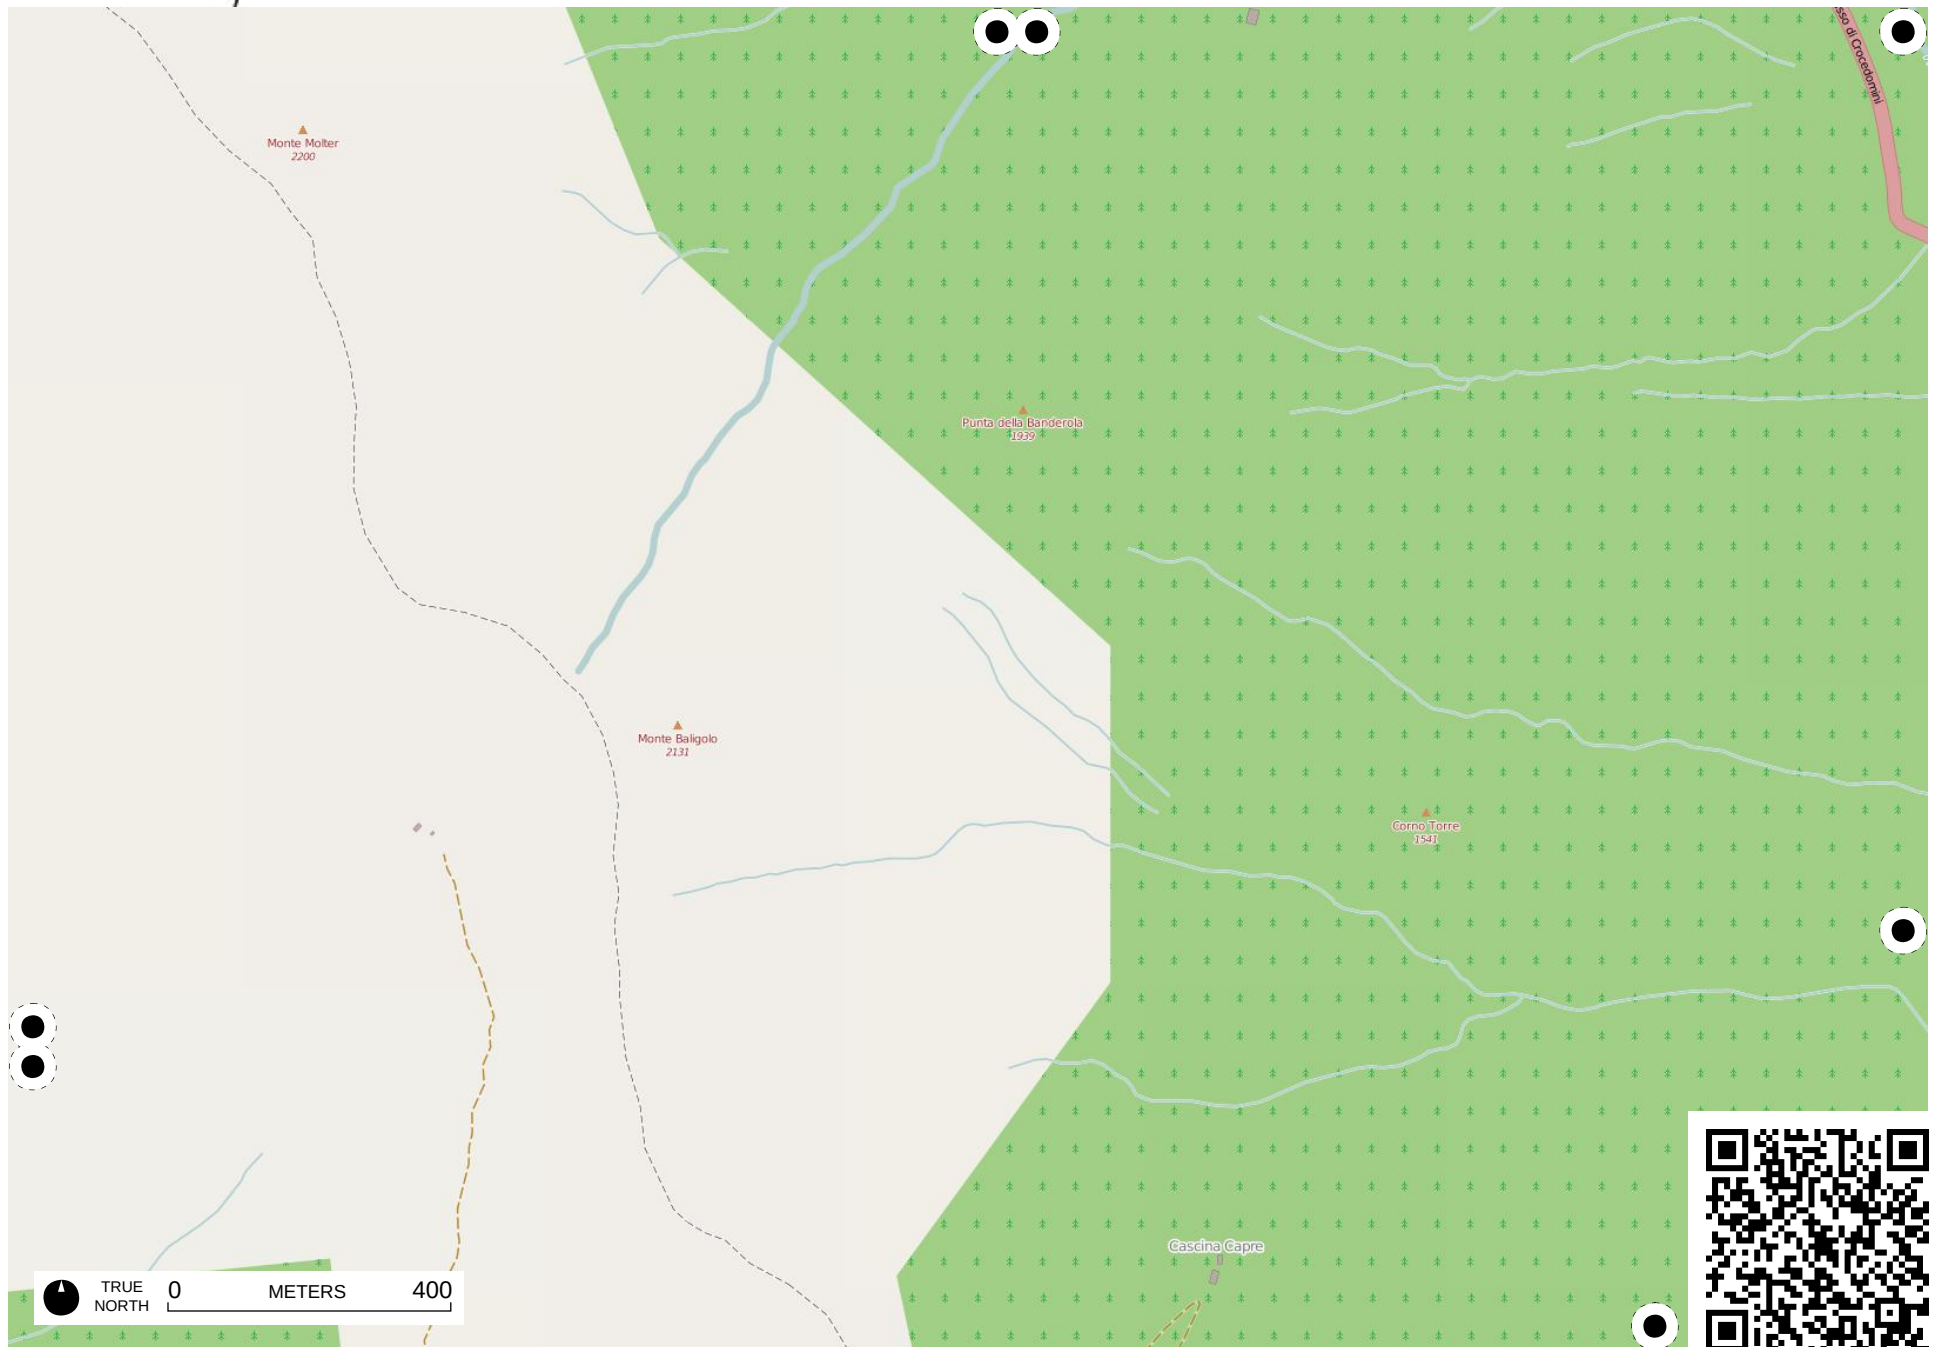

Topographic map of the Varano and Pannone area in Italy. The map shows a forested landscape with various roads and elevation markers. Key features include:

- Geographical Labels:** Sopra forestale del Conio, Sopra forestale Ziresole, Monte Creino 1280, Naranch, Varano, Pannone, Sopra provinciale Borada, Via Nuova, Via 1499.
- Infrastructure:** Roads labeled SP48, SP88, and Via Nuova.
- Elevation:** Monte Creino 1280.
- Scale:** 0 to 400 meters.
- Orientation:** TRUE NORTH.
- QR Code:** Located in the bottom right corner.

The map displays a topographic view of the Belluno Veronese area. The terrain is characterized by green fields and a network of roads. The Adige river flows through the lower right portion of the map. Key features include:

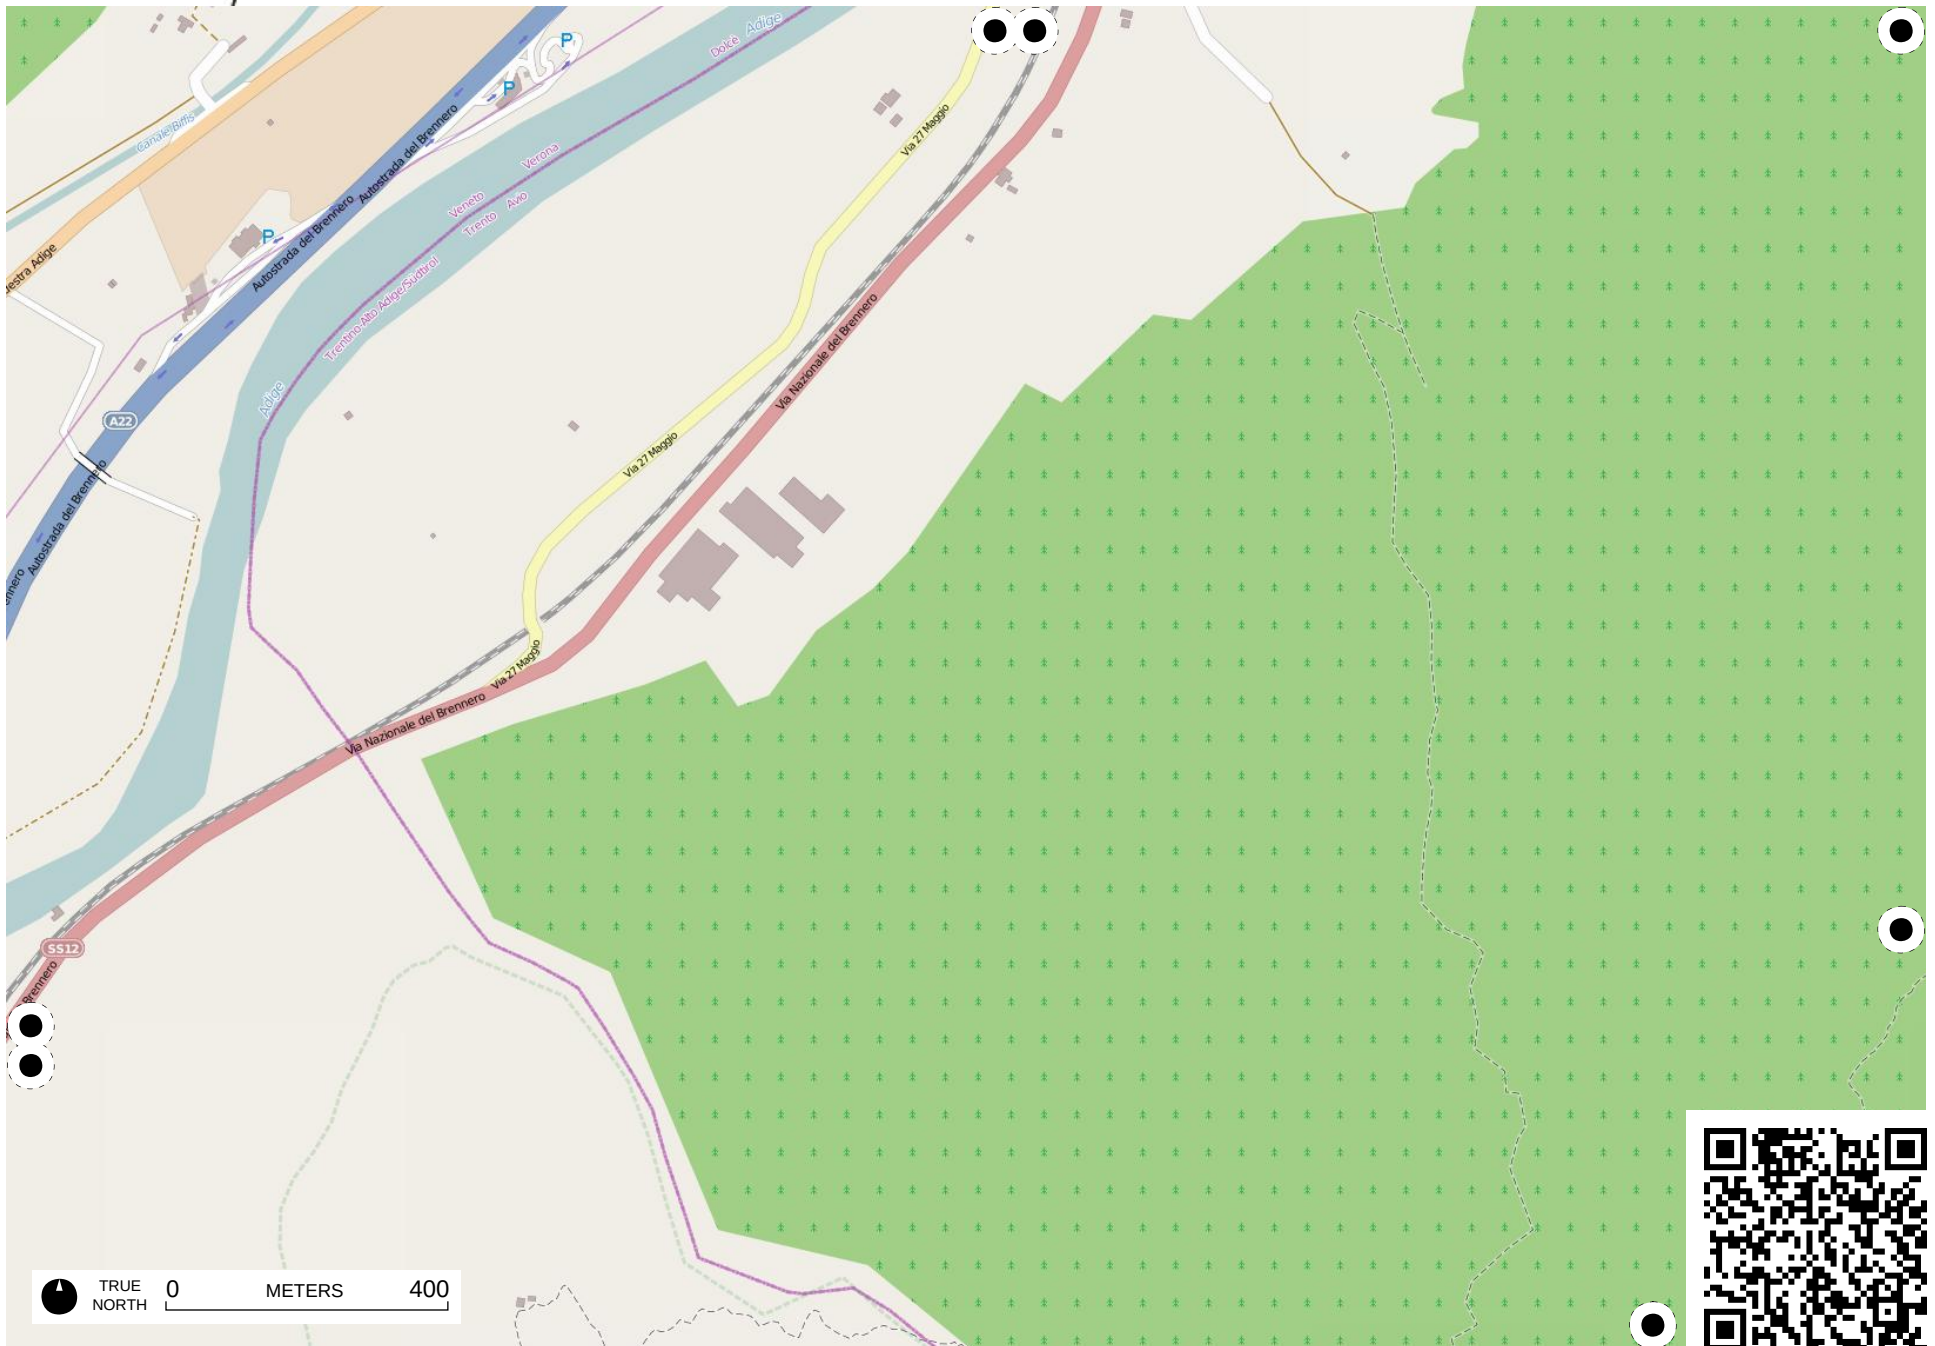

- Scale and Orientation:** A scale bar at the bottom left indicates distances from 0 to 400 meters. A north arrow is located at the bottom left corner.
- Roads:** Several roads are marked, including the Strada Provinciale destra Adige (SP208) and the Strada Provinciale sinistra Adige (SP208).
- Water Features:** The Adige river is shown flowing through the area, with a bridge crossing it near the town of Belluno Veronese.
- Settlements:** The town of Belluno Veronese is located in the center-right of the map, with a cluster of buildings and a church spire visible.
- Topography:** The map uses contour lines and shading to represent the terrain, showing a mix of flat and slightly elevated areas.
- QR Code:** A QR code is located in the bottom right corner, likely linking to additional information or a digital version of the map.

The map displays a topographic view of the Belluno Veronese area. The Adige river flows through the lower right portion of the map. Several provincial roads are marked, including Strada Provinciale destra Adige (SP208) and Strada Provinciale sinistra Adige (SP208). The town of Belluno Veronese is located in the center-right, with a cluster of buildings and a church spire. The surrounding area is mostly green, indicating forested land. A scale bar at the bottom left shows a distance of 0 to 400 meters. A north arrow is located in the bottom left corner. A QR code is positioned in the bottom right corner. The map is oriented with North at the top.
