This is a detailed topographic map of the Piacenza region in Italy. The map uses a color-coded system to represent elevation, with green for lower altitudes and brown for higher elevations. Key features include:

- Geographical Features:** The map shows the Po River (Fiume Po) and several tributaries like the Trebbia and Taro. It also depicts various hills and mountains, such as Monte Rotondo (1181m) and Monte Corniola (1763m).
- Urban and Rural Areas:** Piacenza is prominently shown on the left, with its surrounding districts like Pieve, Siniga, and Grignaghe. Other towns like Vigonza and Fontanafredda are also visible.
- Infrastructure:** The map displays a network of roads, including the Via Emilia (SS9), and railway lines. It also shows numerous smaller settlements and hamlets.
- Map Elements:** A scale bar at the bottom left indicates distances up to 2 kilometers. A north arrow is located in the bottom left corner. A QR code is present in the bottom right corner, likely linking to additional information or a digital version of the map.
