

Ken's Corporate Housing

November 2016 Newsletter

Tenant of the Month is William

I am William, Restaurant Manager and Operator, living at Madison SoHo community for less than six months. Ken's Corporate Housing has been very responsive to my questions and concerns about the property. I am very likely to recommend this company to a friend or colleague.

Ken's Corporate Housing made me feel situated and helped with any problems I incurred in my first few weeks.

This month we have 4 tenants with birthdays in November. Ken's Corporate Housing will be mailing out birthday cards and giving Free Home Cleaning.

Happy Birthday to our tenants:
