Utilities Irrigation Restrictions

WATER NEWS

On May 19, 2009, the Board of County Commissioners approved an inter-local agreement with the St. Johns River Water Management District and the Southwest Florida Water Management District that updated the County's Water Conservation and Landscape Irrigation Ordinance (Ord. 08-09). The new update allows all portions of Marion County to follow the St. Johns River Water Management District watering restrictions as follows.

Mandatory lawn watering restrictions specify the days when you may water. These days depend on whether you have an address that ends in an odd or even number, and on the time of year. So unless your day and number are up, please make sure those sprinklers stay down.

TIME OF YEAR	ODD NUMBERED OR NO ADDRESS	EVEN NUMBERED ADDRESS	NON-RESIDENTIAL PROPERTIES
Daylight Savings Time	Wednesday/Saturday	Thursday / Sunday	Tuesday / Friday
Eastern Standard Time	Saturday	Sunday	Tuesday

Additional restrictions include:

- Water only when needed - and not between 10 a.m. and 4 p.m.
- Water for no more than one hour per zone.
- Restrictions apply to private wells and pumps, ground or surface water and water from public and private utilities.
- Some exceptions apply. Marion County follows St. Johns River Water Management District watering restrictions.
