*****IMPORTANT INFORMATION*****

Please be advised that the Southwest Florida Water Management District's Phase I Water Shortage Restrictions are currently in effect. These restrictions apply to the use of water from public and private water utilities as well as the use of wells and surface water sources (ponds, rivers, etc). These restrictions remain in effect until further notice.

Lawn Watering Schedule and Times:

Lawn Watering is limited to twice per week.

Lawn Watering days and times are as follows:

*Even addresses may water on Thursday and /or Sunday before 10:00 a.m. or after 4:00 p.m.

*Odd addresses may water on Wednesday and/or Saturday before 10:00 a.m. or after 4:00 p.m.

Locations without a discernable address, such as right-of-way and other common areas inside a subdivision, may water on Tuesday and/or Friday before 10:00 a.m. or after 4:00 p.m.

Irrigation Systems:

Under Phase I, residents are asked to check their irrigation systems to ensure they are working properly. This means testing and repairing broken pipes & leaks, and damaged or tilted sprinkler heads.

Residents should also check their irrigation timer to ensure the settings are correct and the rain sensor is working properly in accordance with state law.

Landscape Watering Schedule and Times:

Hand watering & micro-irrigation of plants (other than lawns) can be done on any day and at any time.

New Lawns and Plants:

New lawns and plants have a 30-30 establishment period, which allows any day watering during the first 30 days.

During the second 30 days, watering is allowed three days per week: even-numbered addresses may water on Tuesday, Thursday & Sunday; odd-numbered addresses may water Monday, Wednesday and Saturday.

Fountains, Car Washing & Pressure Washing:

There are no restrictions. However, the District requests residents to be as efficient as possible.

Utilities:

Water utilities and their local governments are expected to review & revise water restriction enforcement procedures, begin monthly enforcement reporting and communicate with customers about water restrictions and water conservation.

For complete details or to ask about these restrictions, visit the District's website (www.WaterMatters.org) or call 1-800-848-0499 or 1-800-836-0797 extension 2298 during normal business hours.
