

2018 COLORADO YOUTH LACROSSE ASSOCIATION RULES OF PLAY

Introduction.

The National Federation of State High School Associations (NFHS) 2018 Boys Lacrosse Rules as amended by US Lacrosse Youth Playing Rules shall govern CYLA boys youth play. The governing board of the CYLA has further amended the above set of rules; these rules shall be called the 2018 CYLA Official Rules for Boys Youth Lacrosse. The US Lacrosse Youth Rules (not including CYLA Rule exceptions) can be found in the “documents” section of the CYLA website. Additional Rules addressing conduct and sportsmanship may be found in the CYLA Operating Rules. The game is to be played with emphasis on the proper development of individual stick skills, team play, player safety, and sportsmanship. NFHS Rules governing uniforms and field considerations are considered to be “recommended” and not strictly enforced, except by the discretion of the Officials.

Rules highlighted in **GREEN** indicate a difference from US Lacrosse or NFHS rules.

Rules highlighted in **YELLOW** indicate a change in CYLA or US Lacrosse rules from the previous season.

ALL PLAYING DIVISIONS

Age and Eligibility Guidelines. The CYLA Rules contain eligibility guidelines in order to promote the game of lacrosse in Colorado in a safe and sportsmanlike environment. To best achieve this goal, the CYLA believes that youth lacrosse should seek to provide playing opportunities that, as much as possible, establish a "level playing field" among players of similar age, size, and ability. Exceptions to age divisions cannot be made on game day and all coaches must adhere to classifications as determined by the CYLA.

2018 Age-Based Playing Divisions. The CYLA will play the following age-based divisions: U15, U13, U12, U11, U10, U9, U8 and U7 (see table cut-off dates). In each age group, the CYLA will consider skill and past playing performance when assigning teams to competitive divisions within each age group. Each age division is subdivided into three skill levels: Red (advanced), White (intermediate) and Blue (basic). The cut-off date is determined by May 31st of the previous year.

IMPORTANT NFHS RULES CHANGES FOR 2018: The NFHS (National Federation of State High School Associations) Boys Lacrosse Rules Book provides the foundation for the US Lacrosse and CYLA rulebooks. The following NFHS rule changes for 2018 will apply to all CYLA divisions.

- 1.6: In 2018, the CYLA will enforce ONLY the NFHS requirement that sticks must have a minimum distance of 6 inches at the widest point. The measurement points of 1.25", 3.0", and 5.0" will NOT be enforced in 2018. These measurement points will be enforced beginning in 2019.

- 1.7.5: Pockets of non-traditional synthetic material are permitted as long as they meet specifications of rule 1.7. (Sticks like the Warrior Warp are permitted).
- 4.3.3.D: (Faceoffs) The official shall make certain that the reverse surfaces of the crosses match evenly in that the top of one head lines up with the throat of the other and are perpendicular to the ground.
- 4.9.2: A goal will be allowed if the shot is released prior to the end of the period.
- 4.18.4: PENALTY: Conduct foul on the defensive player. A second violation by the player-team will be enforced as releasable *unsportsmanlike conduct*, served by the offending player.
- 6.5.2x: ART. 2... The following are examples of illegal procedure: Failure to wear a required mouthpiece properly (unless it comes out during play).
- 6.10.2: The stall warning remains in effect until:
 - A goal is scored
 - A shot that hits the goal pipes
 - A shot that hits the goalie or hits his equipment
 - The defensive team gains possession
 - The period ends resulting in a faceoff
- 7.3: RESUMING PLAY AFTER PENALTY. When a penalty occurs and the ball is in the offended team's offensive half of the field, the ball shall be put in play by the team awarded the ball, at the spot where the ball was when play was suspended. If the ball was in the goal area when play was suspended, it shall be restarted nearest to the spot of the ball at the time of the whistle, 20 yards laterally outside the goal area.
- 7.8.3 A shot remains a shot until • The ball comes to rest on the field • The ball hits the ground and goes past the goal • Possession is gained by any member of the defensive team; or • After hitting the goalkeeper, goalkeeper equipment, goal posts or crossbar, the ball is touched by any player of the either team other than the defending goalkeeper, or an official.
- NFHS rules requiring faceoff players to have a visible contrasting tape color DO NOT APPLY in the CYLA.

IMPORTANT US LACROSSE RULES CHANGES FOR 2018: The following US Lacrosse rule changes for 2018 will apply to all CYLA divisions.

- Including spectators as a potential cause of unsportsmanlike penalties for a team.
- Applying a one-minute releasable penalty the second time a field player from the same team steps in the crease and acts as a goalie.
- Adding language that a shot that hits the pipe or the goalie shall remove a stalling warning.
- Aligning the wording at the U13 Red and U15 Red level to match NFHS rules regarding stalling in the final two minutes of the game, requiring teams to keep it in their offensive zone only if they are ahead by four goals or fewer.
- Aligning with other rule sets so that a goal can be scored if the shot is released (rather than crosses the goal line) before the period ends.
- Adjusting the rule at the U7, U8, and U9 age groups to read that officials should award the ball via alternate possession rules when at least three players are involved for a scrum for the ball for more than four seconds without gaining possession.

The CYLA applies NFHS stick checking rules for all divisions, rather than US Lacrosse stick checking rules. One-handed stick checks remain prohibited at all age levels in the CYLA. One-handed stick checks will be penalized as slashing, even if the check does not land.

NFHS LACROSSE RULE CHANGES FROM 2017 continuing to be in effect for 2018:

- 6-5-2: Failure to wear the required mouthpiece (unless it comes out during play) is now a technical foul. Previously, this was a personal foul. This change has been instituted to encourage increased enforcement by officials.
- 4-18-4: No defensive player, other than a properly equipped goalkeeper, can enter his own crease with the perceived intent on blocking a shot or acting as a goalie. Penalty: Conduct foul on the defensive player. A second violation by the player will be enforced as releasable unsportsmanlike conduct.
- 6-10-3: During the last two minutes of regulation play, stalling rules are in effect for the team that is ahead by four goals or less. When the score differential is five goals or more, neither team is forced to keep the ball in the goal area unless warned to “keep it in.”
- 4-3-1 Exception 2: If a player or team commits a foul before any faceoff, the ball will be awarded to the offended team in its offensive side of the field at the Center.

US LACROSSE RULE CHANGES FROM 2017 continuing to be in effect for 2018:

- 1-9-1j: Arm pads are now optional equipment for goalies (consistent with previous CYLA rule).
- 1-10h: Eye black and eye black strips are allowable as long as they do not contain offensive words, shapes, images, or logos.
- 5-11-1: Any player who accumulates 3 personal fouls or 5 minutes in personal foul penalty time shall be disqualified from the game. (Previously, disqualification occurred after 4 personal fouls. Disqualification does not result in suspension from the player’s next game).

NUMBER OF PLAYERS - RULE 1 SECTION 1

The CYLA is fundamentally a 10 v 10 league, however a team may start a game with as few as (8) players without having to forfeit the game and play “man-down.” A team that cannot start the game with (8) players will forfeit the game.

FIELD DIMENSIONS - RULE 1 SECTION 2

CYLA 10v10 fields will follow National Federation of High Schools (NFHS) guidelines and 7v7 fields will follow US Lacrosse guidelines. Minor alterations which are acceptable to both coaches and officials will be allowed. (US Lax Rule 1-2)

PLAYER EQUIPMENT – NFHS RULE 1 SECTION 9

- Equipment shall conform to NFHS requirements, including gloves, arm pads, shoulder pads, mouth piece, and NOCSAE-approved helmets, which must be properly fitted and worn, with the following modifications:
- Officials and coaches are directed to note NFHS Rule 1.7.3: “Any additional strings or laces (e.g. shooting strings, V channels) must be located within 4 inches of the top of the cross.” This means that players may not use sticks with “V” or “U” shooting strings and standard penalties apply.
- All players are required to wear a protective cup. A player will not be penalized for not wearing a protective cup, but cannot play without one.

NOTE: The Officials are not required to inspect the wearing of a protective cup, and may rely on the coach’s certification and/or a player’s statement regarding satisfaction of the requirement.

TEAM TIME OUTS / BREAKS BETWEEN PERIODS

- (2) per half, per team (1 minute in length)
- No Time Outs during OT periods
- 2 Minute Break Between 1st and 2nd quarters, and 3rd & 4th quarters
- 5 Minute Halftime Break

OFFICIALS’ TIME OUTS

- If a Player in possession of the ball loses any required equipment the official will immediately stop play as per NFHS Rule 1-9-3. Officials’ discretion to apply NFHS Rule 5-6 (Illegal Equipment), e.g. mouth guard.

COACHES – RULE 2 SECTION 3

- ONLY the Head Coach may talk to the officials. (ALSO SEE INDIVIDUAL PLAYING DIVISION RULES)

TIME FACTORS – RULE 3 (SEE INDIVIDUAL PLAYING DIVISION RULES)

PRE-GAME TEAM MEETING - RULE 4 SECTION 2 (re: LINE UP)

- Game officials shall call for a pre-game meeting before the opening faceoff. They will assemble all players (not just the starters) and coaches to the center of the field or in front of the scorers’ table. At this time the game officials will convey the equipment, safety, and fair play information, in addition to explaining any special ground rules as required under CYLA Rules & Individual Playing Divisions (US LAX/NFHS RULE 4-2.)
- Head coaches MUST present a CYLA-verified roster at this time.
- If the head coach does not present a verified roster, official shall assess a 2 minute unsportsmanlike conduct penalty to begin the game.
- U9-U8-U7: If a head coach does not present a verified roster, official shall award possession to the offended team to begin the game. If neither team presents a roster, possession shall be awarded on the basis of alternate possession.

FACING OFF - RULE 4 SECTION 3

- Each quarter shall begin with a face-off regardless of the score differential, unless an extra-man situation/exception is in effect under NFHS Rule 4-3, i.e. Players from the offensive zone may no longer participate in a face-off in man-down situations. (ALSO SEE CYLA INDIVIDUAL PLAYING DIVISIONS).
- Officials and coaches are directed to note the adoption of NFHS Rule 3, Section 3 in its entirety. This rule changes the faceoff mechanic to conform with NCAA rules, including positioning of the faceoff players and the official's adjustments of crosses before the ball is placed between the crosses.
- Officials shall use the commands "Down" and "Set" before backing away from the faceoff and blowing the whistle to commence play. Officials should vary the whistle cadence with every faceoff.
- "A violation will be called if the player picks up and carries the ball on the back of his stick. It is legal to clamp the ball...but it must be moved, raked, or directed immediately...defined as within one step."

"OVER AND BACK RULE"—NFHS RULE 4, SECTION 14, ARTICLE 3

- "Once the ball has successfully been advanced into the goal area, a team is provided the opportunity to run its offense in the offensive half of the field. If the offensive team carries, passes or propels the ball to its defensive half of the field and the offensive team was last in possession, and last touched the ball (except on a shot), the result will be an immediate turnover or play-on.
- "If the ball does not touch or go over the center line, no infraction has occurred. Defensive players may legally bat the ball to keep it in the offensive half of the field, but if it is possessed and their feet are in the defensive half, it shall be a turnover."
- This rule applies to all 10v10 levels of CYLA Lacrosse, from U10 through U15.
- This rule does not apply to 7v7 levels of CYLA Lacrosse. However, an "over and back" situation will reset the one-pass rule at the 7v7 levels (U9-U8-U7).

3-YARD RULE (MULTIPLE RULE SECTIONS)

- All stick checks, body checks, legal holds, and legal pushes must be on a player in possession of the ball or within 3 yards of a loose ball or ball in flight. (NFHS uses "5 yards.")

ILLEGAL BODY CHECK - RULE 5 SECTION 3

- An avoidable body check of an opponent after he has passed or shot the ball is an illegal body check. The definitions below supplement, but do not supplant, all aspects, points of emphasis, and Play Rulings of NFHS Rule 5-3.
- **NO TAKE-OUT CHECKS** are permitted by any player at any age level.
A take-out check is defined as:
 - Any body check in which the player lowers his head or shoulder with the force and intent to put the other player on the ground.
 - Any body checks considered more aggressive or more physical than necessary to stop the advancement of the player carrying the ball or to keep or move a player away from a loose ball. This includes but is not limited to: (i) any check in which a player makes contact with sufficient force and intent to knock down the opposing player; (ii) any check in which a player makes contact with sufficient force and intent to injure the opposing player; and (iii) any check made in a reckless or intimidating manner.
 - Any body check on a player in a defenseless position. This includes but is not limited to: (i) body checking a player from his "blind side"; (ii) body checking a player who has his head down in an attempt to play a loose ball; and (iii) body checking a player whose head is turned away to receive a pass, even if that player turns toward the contact immediately before the body check.
 - NOTE: *Sports medicine research indicates that the severity of certain injuries may be reduced if a player can anticipate and prepare himself for an oncoming hit. Other sports medicine research indicates that peripheral vision may not be fully developed in many boys before approximately age fifteen. Game officials should be especially alert to blind side checks at all youth levels.*
 - Penalty for Illegal Body Check is mandatory 2-3 minute non-releasable penalty (NFHS RULE 5-3-5).

CHECKS INVOLVING THE NECK/HEAD - RULE 5 SECTION 4

- ARTICLE 1 ... A player shall not initiate contact to an opponent's head or neck with a cross-check, or with any part of his body (head, elbow, shoulder, etc.). Any follow through that contacts the head or neck shall also be considered a violation of this rule.
- ARTICLE 2 ... A player shall not initiate an excessive, violent or uncontrolled slash to the head/neck.
- ARTICLE 3... A player, including an offensive player in possession of the ball, shall not block an opponent with the head or initiate contact with the head (known as spearing).

PENALTY: 2-3 minute non-releasable foul, at the official's discretion. An excessively vionent violation of this rule may result in an ejection.

UNNECESSARY ROUGHNESS - RULE 5 SECTION 9

US Lacrosse calls attention to the NFHS Rule 5 Section 9, UNNECESSARY ROUGHNESS, making the penalty non-releasable.

- ARTICLE 1: An excessive violent infraction of the rules against holding and pushing.
- ARTICLE 2: Deliberate and excessively violent contact made by the defensive player against an offensive player who has established a screening position.

- **Field Size:** CYLA shall continue to play U10 lacrosse on a full-sized field.

U9-U8-U7 (See additional rules on 7v7)

- **No Body Checking of any kind is permitted.** Legal pushes (RULE 6 SECTION 9, PUSHING) and holds (RULE 6 SECTION 3, HOLDING, ARTICLE 3 A & D) are allowed, substitute 3-yards for NFHS 5 yards. In all loose ball situations players should “play the ball,” but incidental contact, “boxing out”, or screening techniques during such play shall not be considered a violation of this rule. If loose ball is not moving, stuck, or the players are having difficulty picking the ball up, referee may re-start play following the alternate possession rule.
- **Stick Length:** 37” – 42” (US LAX RULE 1-6).
- One coach per team may be allowed on the field during play to provide instruction during the game.
- **Game Time:** will consist of four 12-minute running-time quarters; game clock stops only for a team timeout, an official’s timeout, or an injury timeout; penalty clock stops for all whistles. Game Clock stops for all whistles during last 2 minutes of the game with goal differential of 2 or less. In the event of a tie, two 4-minute sudden-victory overtime periods will be played.
- **Substitutions:** Players are substituted every 3-4 minutes with “time breaks” announced by the time keeper in order to foster equal playing time for all players; substitutions should be made during loose ball or out-of-bounds situations, i.e., not during possessions.
- **Final Two Minutes of Game:** Final Two Minute stalling rule shall NOT be enforced (US LAX RULE 3-3).
- **Stalling:** All NFHS Stalling rules are in effect, including NFHS Rule 6-10. If a game official detects an effort to stall the official will give a verbal command to “get it in/keep it in” followed by a visual 10-second hand count. If the team so warned does not attempt to advance the ball to the goal area within the 10-second count, a turnover will occur with restart at the point of the stalling infraction (or laterally outside the goal area). A defensive player must attempt to play the ball.
- **ONE-PASS RULE:** Preceding a shot on goal, a team must (a) complete a clearing pass from their defensive zone to their offensive zone; or (b) once the ball is in their offensive zone make one attempted pass. The One-Pass requirement is in effect (resets) after every whistle that stops play. Click here to view the One Pass Rule Sheet: [CYLA ONE PASS RULINGS](#)
- **Advancing the Ball:** 20 second/10 second rules do NOT apply (US LAX RULE 4-14 / 15).
- **Get It In/Keep It In:** RULE 4 SECTION 31 does NOT apply.
- **Slashing: NO One-handed checks are allowed.** Any one-handed check will be considered a slash, whether or not it makes contact with the opposing player (US LAX 5-7).
NOTE: If the defensive player’s hand comes off his stick in his legitimate follow-through motion after, or during his recovery from, a controlled poke check, this need not be considered a slash solely because his hand came off the stick. US Lax Rule 5-7 art 4.
- **Time Serving Penalties:** offending player must leave the field and remain out of the game for the length of his penalty time but his team may replace him with a substitute on the field. No man up situation should occur. Ball is awarded per NFHS rules (US LAX RULE 7 – 1/2/3). The offending player must serve the full time of the penalty in the box and will release to his team area. Timekeepers are reminded to track personal fouls and total penalty minutes.
- **Fouling Out:** Any player who accumulates 3 personal fouls or 5 minutes in personal foul penalty time shall be disqualified from the game. For U9-U8-U7, a disqualified player must leave the field but his team may replace him with a substitute; no man up situation should occur (US LAX 5-11).
- **Ground Ball Scrum:** officials should award the ball via alternate possession rules when at least three players are involved for a scrum for the ball for more than four seconds without gaining possession.
- **Stick Checking:** CYLA enforces NFHS stick-checking rules at this age level rather than US Lacrosse rules. CYLA has adopted the US Lacrosse prohibition against one-handed stick checks at all age levels.
- **Field Size:** CYLA shall continue to play U11 lacrosse on a full-sized field.

CYLA Rules for 7v7 Play at U9-U8-U7 levels

CYLA administrators approved a change to 7v7 play for all U9-U8-U7 divisions, effective Spring 2016.

Officials and coaches should note the following rules and adaptations:

- **Field Size:** Maximum 65 yds. long by 35 yds. wide. Clubs may use the offensive box area of a full-sized lacrosse field to obtain an optimally sized field of 60 yds. long by 35 yds. wide.
- **Field Lining:** Sidelines, end lines and creases must be present. A midline should be painted or delineated by use of cones. Creases may be painted, portable, or coned out. Creases will maintain the standard 9' radius. No box or wing lines are required.
- **Goal size:** 5' by 5' goals are preferred and will be used for CYLA Championship play. 5' by 6' goals or 6' by 6' goals are acceptable for season play. Full size 6' by 6' goal frames may be used, with a one-foot tall strip of plywood or similar rigid material used to block off the top 1' of the goal for the full width of the goal.
- **Player positioning:** Each team shall consist of two attack players, two midfielders, two defense players, and one goalie. Offsides shall be enforced if more than four players occupy the offensive side of the field or more than five players occupy the defensive side of the field.
- **Faceoffs:** Will occur at the beginning of quarters only. One midfielder will face off, the second midfielder shall be positioned on the left side of their team's faceoff midfielder at the furthest edge of the field. The attack and defensive players shall be positioned behind Goal Line Extended for faceoffs. They are released upon possession.
- **Restarts after a goal:** After a goal, possession is awarded to the non-scoring team at midfield. Standard restart procedure including 5 yard distance from all opposing players should apply. Attack and defensive players shall be positioned below Goal Line Extended for restarts after a goal. They are released upon the official's whistle.
- **Ground Ball Scrum:** officials should award the ball via alternate possession rules when at least three players are involved for a scrum for the ball for more than four seconds without gaining possession.
- **Ball:** Regular NOCSAE approved lacrosse balls shall be used.
- **Goalie equipment** shall conform to current CYLA and US Lacrosse Rules.
- **Penalty enforcement** remains consistent with previous rules for U9-U8-U7 play. The offending player shall be substituted out of the game but his team shall not play man-down. The offending player must serve the full time of his penalty in the substitution box as occurs at older age levels.
- **Over and back rule** does not apply to 7v7 levels. However, an "over and back" situation *does* result in a reset of the One Pass rule for these levels.
