

MCYH Midget 15U AA #1, 2018-2019

Head Coach: <u>Terry Fisher</u> 585-748-3332 (cell) tfisher@vaccinex.com

I am excited to continue to help develop these kids as hockey players as they mature. I want them to love the game of hockey and at the same time learn to be good teammates and respectable young adults. I want to get these kids ready to play HS hockey and will stress the skill development needed that will help them not only make a HS team, but play. I will stress and teach discipline, constant hard work, moral character, responsibility, and the desire to win. I hope to create a fun environment for both the players and the parents.

Tentative Season Plan:

- Compete in WNYAHL Midget 15U AA
 - o Division TBD, but this team will be the highest level 15U team at MCYH
 - The plan is to push the kids competitively to make them stronger, which will help for both
 HS hockey as well as the possibility to bring this core of kids to 16U TB next year
- **HS-friendly schedule**: Season will run from late August thru Nov 1
- 2 full-ice practices per week (Tues / Thu), approximately 18-20 league games, 2 tourneys (possibly one after HS is done)
- Dry land / strength training over summer
- Select on-ice practices and scrimmages over the summer
- Structured, well-planned, intense on ice practice sessions
- Position specific training and education (on and off ice)
- Classroom Education & Film Review (all season)
- Discipline on and off the ice will be made even more of a priority this year and non-compliance will be dealt with seriously
- Approximate Budget of 12K, Fundraising / Sponsorships to raise most of it and \$300 initial contribution from each family
- Ice time will not always be equal, it will be based on player's commitment to team objectives listed above along with player's commitment to conditioning as well as attendance. Game situations will also play a factor into ice time. Every player will be given fair opportunity to earn ice time.
