

MIKE PALLADINO

1. How long has your family been a member of the KPSC?

13 years

2. In what way have you volunteered your time to the KPSC?

I have been a coach in some capacity for all 13 years and a member of the board for the last 8 years. I have volunteered at many club functions, ran club tournaments and currently take care of the club website.

3. Why do you want to be a Director of the KPSC and what talents (strengths) do you have that would contribute to the Board?

I would like to continue being a board member because I enjoy being a part of a great team. I have shown over the past 8 years that I can contribute in many different ways. Not only as a dedicated volunteer but also as a member of a non bias group that can vote for the best solution for the kids of the Kings Park Soccer Club.

4. How often have you attended KPSC Board meetings in the past year?

10 meetings
