1. How long has your family been a member of the KPSC?

I have been a member of the KPSC as a player, coach and Board Member since 1978.

2. In what way have you volunteered your time to the KPSC?

I currently coach the BU8 United pre-travel team. Additionally, I coach the U6 tournament team and served as one of the in house coach's for the last 2 years. I have been the Special Events Coordinator and the Treasurer of the club for the past 4 years. Additionally, I have been an active member of the Bylaws, Tournament, special events and Travel committees.

3. Why do you want to be a Director of the KPSC and what talents (strengths) do you have that would contribute to the Board?

My focus is to build stronger programs for the U5 and U6 age groups. Finding new ways to increase enrollment and retain players as they get older is an issue of concern. I believe these age groups to be very important years for the children and it should be treated that way.

I would like to continue to build the KPSC programs for our community. Moreover, I would like to continue to strengthen the current relationships that we have with Stony Brook University and the New York Cosmos and to look for ways to start new relationships with other local colleges.

Currently, I have two LIJSL coaching licenses (C and D) .

I am the Treasurer for the KPSC and I would continue to improve the processes and reporting which will aid in future board decisions.

4. How often have you attended KPSC Board meetings in the past year?

I have attended all the scheduled Board of Directors and Coaches Meetings during the past four years.
