1. How long has your family been a member of the KPSC?

Having grown up in Kings Park, my brothers and I played for the club and our father also coached. More recently, I've become involved in the club again when my oldest son started playing 5 or 6 years ago.

2. In what way have you volunteered your time to the KPSC?

I've coached at the U5 level in the past, I currently coach teams in U6 (Asst coach pre-travel maroon and Head coach in-house Team 8) and I serve as "treasurer" for the Boys U9 X-treme team.

3. Why do you want to be a Director of the KPSC and what talents (strengths) do you have that would contribute to the Board?

I appreciate the time and effort that everyone on the board volunteers to the club. I feel my children have benefited from these efforts and I'd like to do my part to contribute. I feel like I have good ideas and problem solving skills that could benefit the club and I want to do anything I'm capable of to help children in the community experience and enjoy playing soccer.

4. How often have you attended KPSC Board meetings in the past year?

#

Within the past year, I've attended at least 3 or 4 board meetings.
