2007

2. In what way have you volunteered your time to the KPSC?

3. Why do you want to be a Director of the KPSC and what talents (strengths) do you have that would contribute to the Board?

I want to continue building this Core Development Program that was put in place 4 years ago as I headed the Education Committee. Working with the club to help build a stronger support system so that we can have happy players, parents so that we keep teams inside the club and not leaving.

4. How often have you attended KPSC Board meetings in the past year?

I have made 11 out of 12, the only time I miss a meeting is if I am out of town for my job
