

Join the LIONS.

Local Service, Worldwide Influence

Right now, Lions are improving communities around the world. We're meeting to plan a local project. We're sponsoring international exchanges for young people. We're bringing clean drinking water to a remote village. We're building. We're sharing. We're repairing. And we're having fun.

Lions are groups of service-minded men and women who are interested in improving their communities. To become a Lion is to become an active volunteer, a member of a respected international organization, a leader in your community and a friend to people in need.

Being part of something bigger matters to our members. That's why Lions work on global initiatives for youth, health and disaster relief that affect local communities everywhere. Our projects are changing communities and improving lives worldwide.

But even as we impact the world, we directly and most intentionally work to serve our local community. Sight-related issues are our primary focus, but we still find time and energy to feed the homeless, help local seniors, empower local youth, and support local charities.

There are many reasons to become a member. As a Lion, you'll:

- Help your community and gain valuable skills
- Grow personally and professionally
- Make an impact on people's lives – locally and internationally
- Learn to be a leader – and lead a respected organization
- Network with business people in your community and around the world
- Energize your life and have fun

Most of all, and you'll know that what you do is worthwhile and appreciated. Want to learn more about membership in the Lion's Club? Talk to a member today, or contact us at 626.484.1139 or information@azusalions.org.
