

January 2008

YUMMY!

CORMORANT:

THE GREATEST OF
BIRDS, EATING FISH,
SINGING OF LOVE,
EVER IN THE WATER,
YET ROOSTING FOR
WARMTH, COMFORT AND
LOVE OF ANDONI.

THE MIGHTY
CORMORANT EATS
LUNCH

I AM A HUNGRY CORMORANT.

CAN YOU SEE MY BEAK? IT IS FULL OF FISH. SOON MY BELLY WILL BE FULL TOO. THEN I WILL BE HAPPY.

Cormorants are great.

They're the toast of the town.

Everybody's happy

When cormorants are around.

Eating up fishies

Roosting on Poles

Birds of great majesty

Beloved by All --- especially Andoni!

That fish was delicious

Now I need to rest and digest my meal. As long as I can see water, I am happy. Come play with me, Andoni!
