

# Wedding Cupcakes Workshop

- Would you like to wow your guests with your own completely personalised cupcakes on your big day?
- Do you want to get your wedding budget in check by creating your own wedding cupcakes?
- Have you found a friend to bake your cupcakes and want to make sure it goes without a hitch?

You, or your designated baker friend, will receive...

- Advice on how to choose the style of wedding cupcakes
- The logistics of preparation and storage before the big day
- Complete shopping list and list of baking and display suppliers
- A guide to making, decorating and displaying the cupcakes
- Insider hints and top tips for making perfect wedding cupcakes at home

You'll have a chance to get hands-on and practise on 12 of your own creations to take home, using the techniques you've learnt and our super sparkly range of sprinkles.
