From the Washington DC area, Wayne's soaring lead vocals blend tightly with the band's rich 3-part harmony. The skillful picking of band mates Emory Lester on Mandolin, Lee Marcus on Banjo and Keen Hyatt on bass compliment Wayne's solid guitar work. The band performs a range of material from traditional to contemporary including excellent original material written by Wayne.

Wayne is the former leader of the U.S. Navy's bluegrass quintet Country Current of which he was a member for 18 years. During his time with Country Current he performed bluegrass at many functions and festivals around the globe including performances for 4 US presidents.

Opening for Wayne - HILLTOWN

From Bucks County PA, Hilltown performs at festivals and events throughout the Tri-County area.

Hilltown brings together a hard-driving mix of traditional and contemporary Bluegrass music with exceptional vocals and harmony.
