

Drop in to the first ever  
**Stirchley Community Market**  
Tuesday 27th July, 4 – 8pm  
in the Car Park of Stirchley  
United Working Men's Club.

With stalls run by local businesses and producers, and a friendly atmosphere, the market's a great place to pick up items for your weekly shop. You'll find fruit and vegetables, hot food, fresh bread, wholefoods and cakes alongside crafts, bicycle maintenance advice and information about local community activities.

Come along and support Stirchley. We'd love to show you what your local area has to offer!

Stirchley Community Market is a new initiative organised by South Birmingham Food Co-op, Stirchley Happenings, Loaf and Birmingham City Council.
