

# Back to Church Sunday!

## Sunday, September 12<sup>th</sup>, 2010

### *It's More than a Routine!*

*With the start of school, it's time to get back into many of the routines that we fall out of over summer vacation. We all know it's no excuse, but with summer travel plans and projects, one of the routines that is easy to fall out of is making sure your family is in church each Sunday to worship God and to study His word. As you reestablish the routines school brings, isn't it time to reestablish having your family in church. Why not start this Sunday and join in on **Back to Church Sunday!** And if you have never been one to have your family in church, why not use **Back to Church Sunday** to start!*

If you have a church home, make sure and be in your church this Sunday! If you do not have a church home, we would LOVE for you to join us as we celebrate **Back to Church Sunday** at First Baptist Church!
