The God Who Washes Feet: Part 2

John 13:6-11; 18-30

1. Only those who are cleansed by Jesus are truly God's people and have the promise of eternal life.
2. Confession and repentance are needed for a Christians ongoing spiritual growth.
3. External religious activity will never cleanse the stain of sin from your life; only a genuine, heart-centered, relationship with Jesus can do that.
4. If you do not give Jesus the throne of your heart, Satan will eventually take it.
