

BIKE UP! LA

MIX IT UP! FOR A BIKE-FRIENDLY LOS ANGELES

A BENEFIT FOR THE CALIFORNIA BICYCLE COALITION

Wednesday, February 8, 2012, 7-9pm

at THE LIVING ROOM, 3531 West Sunset Blvd., Los Angeles 90026

RANK UP!

JOIN UP WITH US to create a strong vision and the political will to make Los Angeles as bike friendly as any city in the world. Chicago and New York rank as bike-friendly cities. LA does not. We need to catch up.

SPEAK UP!

JOIN UP WITH US and let politicians know they speak for bicyclists in our State. Governor Brown vetoed the Give Me 3 Feet law protecting bicyclists. Our voice needs to be heard by politicians.

STAND UP!

Your presence, your support, and your voice will ADD UP!

LISTEN UP!

Special guests will include:

CBC Executive Director Dave Snyder

LA City Council Member Tom LaBonge

Office of Council Member Garcetti

The Los Angeles County Bike Coalition

Snacks and refreshements will be served.
