

OTTER TAIL COUNTY FRIENDS OF FRIENDS

Friends of Friends formed as a group of concerned citizens focused on

- raising awareness
- creating an economic multiplier
- building a sustained approach to battling hunger in Otter Tail County.

The Community Sponsorship of 'Friends of Friends' Fighting Hunger

\$50,000 Fund Raising Goal

Did you know that through Friends of Friends Fighting Hunger last winter, a total of \$23,000 was raised through help from community partners such as you? With this past success coupled with growing demand across the Otter Tail County food shelves, we are increasing our effort, hoping to raise \$50,000.

THE BACKBONE OF
ANY SOCIETY**

Leveraging the Impact

Through the Minnesota Food Shelf Match program your monetary donations to food shelves will be matched soon after our event. In addition, volunteers at the local food shelves can impact the value of your donations by 2x to 3x through government buying programs.

Making a Difference

You can make a difference! Through our partnership with United Way of Otter Tail County, Friends of Friends can guarantee 100% of your contributions will go to food shelf charities in Otter Tail County.

Recognition for Donation

We wish to recognize all contributors to our cause to the level the contributor would seek. Join us for the Friends of Friends Fighting Hunger event gala on Saturday, January 23, 2010 at the Thumper Pond Resort. This year, 250 tickets will be sold for this event from around the area. You will receive recognition at the event followed by press coverage and releases conducted in conjunction.

In some cases, donors do not wish to call attention to their philanthropy. In this case, we can minimize publicity of your contribution according to your wishes.
