Also with Dr. Anderson they wrote a *Freedom From Addiction Workbook*. It takes you through an intensive personal appraisal to show you the lies you believe that are keeping you in bondage and contains an in-depth inductive Bible study that shows you the truth that sets you free. A *Freedom From Addiction* video seminar is also available that introduces each session of the workbook. *One Day at a Time*, a devotional for over-comers, and *Overcoming Addictive Behavior* were both co-authored with Dr. Anderson.
