Dear Sir/Madam

Moonee Valley Planning Scheme Application No.: MV/21372/2010

Location: 318-372 Mt Alexander Road, TRAVANCORE

Proposal: Buildings and works to an existing depot to install an emergency access gate in a Heritage Overlay and Design and Development Overlay, Schedule 4 area

I refer to the objection which you lodged to the above application.

Council would like to invite you to a consultation meeting to be held at the Civic Centre, 9 Kellaway Avenue, Moonee Ponds (Entrance via Pascoe Vale Road) on **16 February 2011 at 7.15pm.**

The main purpose of a Consultation meeting is to give objectors and the applicant the opportunity to speak to a Councillor (Councillors) and staff about their objections and your application respectively. This meeting will allow for the clarification of key issues and, where possible, identify a way forward for a compromise. Those who wish to present information in support of their objections or application are requested that presentations should generally be limited to 3-5 minutes. Due to time constraints, if a few objectors are attending, you may wish to nominate a spokesperson for the common concerns. You are also welcome to attend and just hear the discussions and observe the proceedings.

A consultation meeting will not be held if invitees are not able or do not wish to attend. To confirm your attendance, if you wish to attend the consultation, it is important that you phone Council's Planning Department on 9243 9111 no later than **15 February 2011.**

It is not compulsory to attend the consultation. Your written objection will still be considered by Council before deciding on the application.

If you wish to find out more about the Consultation process, you can telephone the Statutory Planning Department on 9243 9111.

Yours faithfully

William Stewart
