Dear Hyder,

Thank you for support for the "We are One" Human Rights youth forum. Your contribution was valued. You encouraged the students and gave them opportunity to come up with ideas and solutions to racism in their community and their school. I really appreciate that you took so much time to assist on the day which gave young people an opportunity to develop ideas about social change and build peace among fellow students in the school environment and their own communities.

As a result of your contribution, a personal development program has been developed which will be operated within schools in the future.

We hope that you can be involved in a similar manner in the future. If you feel your organisation may wish to be involved in the project in the future, you are invited to attend the next We Are One Project Steering Committee on:

We Are One Steering Committee Meeting

14th September 2010

3pm-4pm

Hume Global Learning Centre

1093 Pascoe Vale Road Broadmeadows 3047 Melways Ref: 6 H8 10 – 200

If you cannot make this meeting, please feel free to contact me further to discuss how we can work together.

Once again, thank you for your time and efforts, and for your ongoing support of our work and most importantly for addressing serious issues facing young people and our community.

Warm Regards

Lisa Tribuzio
