TENORS

Directed by internationally-renowned choral conductor Simon Halsey for over 25 years, the CBSO Chorus is one of the finest of its kind, performing a wide range of challenging repertoire with the CBSO and in regular demand from other world-class orchestras.

OPEN REHEARSAL: Wednesday 30 November

Meet Simon and members of the Chorus at a drinks reception, then attend their first rehearsal for the CBSO Christmas concerts.

AUDITIONS will take place the following week, enabling successful candidates to join the Chorus in time to sing in this year's CBSO Christmas concerts in Symphony Hall.
