

*[PERSON A, PERSON B, and PERSON C are all just sitting down in their car after seeing a concert. PERSON A is driving, PERSON B in the passenger seat, and PERSON C is in the back]*

PERSON C: *[leaning forward into the front seats]* Seriously, you guys, that was a significant experience in my life. It's awesome that we all got to share that with each other. And with all the people in the room, man. Seriously though; you guys are such a significant part of my life now, man. *[reaches forward for a fist bump]*

PERSON B: Definitely, yo. *[bumps PERSON C's fist]* Don't judge me, guys, but that was seriously like a religious experience for me.

PERSON C: Yo man, I'm not judging man. Not at all.

PERSON A: *[driving now, shaking his head]* You fucking stoners. *[PERSON B and PERSON C laugh]*

PERSON C: I can't even believe that really happened.

PERSON B: I know. You were crying 3 songs into the set.

PERSON A: You cried, too.

PERSON B: Not until the Arabic section started playing. That's about when it hit me that I was lucky enough to be there– I also realized that I never wanted it to end.

PERSON C: *TRUE.*

PERSON B: I'm actually a little bit upset knowing that I can never have those couple of hours *back.*

PERSON A: It was just a concert, guys.

PERSON B: You have no joy.

PERSON C: Yo, you didn't like it?!

PERSON A: No, it was good.

PERSON B: "Good", he says.

PERSON C: That was a life-changing experience for me, man!

PERSON B: Don't be offended. He just doesn't get excited about things like we do. He's a shy guy. *[pinches PERSON A's cheek. PERSON A half-smiles]*

PERSON A: Yeah, well...

PERSON B: Any show highlights? Favorite parts?

PERSON C: The concert, yo. [*PERSON B and PERSON A laugh. PERSON C joins in laughing*]

PERSON A: I liked watching you two dance and scream.

PERSON C: Out of our fucking minds, yo! [*PERSON A laughs. PERSON C shrugs*] I was hyped.

PERSON B: [*pausing to think*] Still no judging, right?

PERSON C: Never, yo.

PERSON A: Maybe.

PERSON B: [*hesitant*] I was so excited, I may or may not have literally peed in my pants just a little bit at one point. [*long pause. PERSON A turns to PERSON B, eyebrow raised. Suddenly relaxed:*] I was just kidding.

PERSON A: Yeah?

PERSON B: Of course.

PERSON C: I don't know man.

PERSON B: I did not pee in my pants. I swear. [*arms crossed*]

PERSON A: Because... you're wearing a skirt.

PERSON B: Shut up.

PERSON A: You didn't pee in your pants because you peed in your skirt.

PERSON B: Forget I said anything. I thought this was no-hate zone.

PERSON A: [*shrugs*] You brought it on your self.

PERSON B: [*blushing, hits PERSON A on the arm*] Shut up.

[*pause. PERSON C is in the back, gazing up at the sky, in a different universe*]

PERSON C: A beautiful experience, man...
